5002. Program Overview.

The John R. Justice Prosecutors and Defenders Incentive Act of 2008 was passed by Congress to encourage qualified individuals to enter or continue employment as Prosecutors and Public Defenders.

Georgia Student Finance Authority (GSFA) is the Governor-designated state agency responsible for administering this program. Applicants applied to GSFA based on the programmatic criteria set forth by the United States Department of Justice (USDOJ).

In the 2011-2012 Award Year, in order to achieve a fair distribution of grants based on geography and population, GSFA split the state into the three federal court districts and distributed the awards based on the number of attorneys from each group (Prosecutors and Public Defenders) that applied from each district. GSFA used a least Ability to Pay formula that took into consideration a student's overall educational debt, salary and a cost of living adjustment.

5004. General Eligibility Requirements.

5004.1. Citizenship.

1. An applicant must be a United States Citizen, born or naturalized, or an Eligible Non-Citizen licensed to practice the law.

5004.2. Defaulted Loan or Refund Due.

1. A student must not be in default on a Federal Title IV or State of Georgia educational loan, or owe a refund due to an over-award on a Federal Title IV or State of Georgia student financial aid program, or in any other way be in violation of Federal Title IV Programs Regulations or State of Georgia student financial aid program regulations. A student must meet the requirements of this section at the time funds are disbursed by GSFA on behalf of the student.
2. A student's federal default status can be resolved in one of five ways:
 - a. Completing an acceptable rehabilitation plan;
 - b. Having the loan repurchased by the original lender and the default status reversed;
 - c. Consolidating the loan out of a default status;
 - d. Receiving an approved Title IV debt settlement, to include a compromised settlement; or
 - e. Making monthly payments over a specified period agreed-upon with the lender of the Student's federal loan; each payment must be on time and voluntary to be in a satisfactory repayment plan.
3. A student's State of Georgia refund due status can be resolved by:
 - a. Paying the refund due to the Eligible Postsecondary Institution at which the over-award occurred. The Eligible Postsecondary Institution will then forward the payment to GSFA.
4. A student's default status on a State of Georgia loan can be resolved in one of two ways:
 - a. Paying off the defaulted loan in full; or
 - b. Complete an acceptable rehabilitation plan by making voluntary on time payments over a specified period agreed upon with GSFA.

5. If such student has repaid the defaulted loan or refund due in full, or resolved the default status, then he or she may be eligible to receive state scholarship or grant funds beginning with the school term in which repayment was made in full but not retroactively for previous school terms.

5004.3. Incarceration.

1. An applicant is ineligible to receive John R. Justice (JRJ) Student Loan Repayment Program funding while incarcerated.

5005. Specific Eligibility Requirements.

5005.1. Employment Status.

1. An eligible applicant must be an attorney continually licensed to practice law of Georgia and shall:
 - a. Be a Prosecutor that is a full-time employee of a state or unit of local government (including tribal government) and prosecutes criminal or juvenile delinquency cases at the state or unit of local government level (including supervision, education, or training of other persons prosecuting such cases) 42 United States Code (U.S.C.) §3797cc-21(b)(1); or
 - b. Be a Public Defender that is:
 - i. A full-time employee of a state or unit of local government (including tribal government) who provides legal representation to indigent persons in criminal or juvenile delinquency cases including supervision, education, or training of other persons providing such representation;
 - ii. A full-time employee of a nonprofit organization operating under a contract with a state or unit of local government who devotes substantially all of the employee's Full-Time Employment to providing legal representation to indigent persons in criminal or juvenile delinquency cases including supervision, education, or training of other persons providing such representation; or
 - iii. Employed as a full-time Federal Defender attorney in a defender organization pursuant to Subsection (g) of section 3006A of Title 18, U.S.C., that provides legal representation to indigent persons in criminal or juvenile delinquency cases. 42 U.S.C. §3797cc-21(b)(2).
 - c. Attorneys who are in private practice and not a full-time employee of a non-profit organization, even if individually or part of a firm that is under contract with a state or court-appointed to provide public defense services, do not qualify as Public Defenders and therefore are not considered to be eligible as beneficiaries under this solicitation.
2. Prosecutors who are employees of the federal government are not eligible.

5005.2. Outstanding Balance.

1. An eligible applicant must have a combined Outstanding Balance in excess of \$2,556 on one or more Eligible Educational Loans.

5005.3. Employment Commitment.

1. Eligible applicant must make a commitment to a three-year Service Agreement each time benefits are received.

5006. Application Requirements.

5006.1. Application Forms.

1. The Application for JRJ funds consists of the Application, Service Agreement, Loan Verification form, and the Employer Verification form.

5006.2. Deadline Date.

1. All forms must be completed and submitted to GSFA by the deadline date published. Incomplete Applications will not be considered for award.
2. Prior to the beginning of any Award Year and no later than June 30 of each year GSFA shall establish and publish the Application Deadline Date for the upcoming Award Year.
3. GSFA may set different deadlines for new and renewal Applications.
4. All applicants (new and renewal) must apply for JRJ funds each year.

(The remainder of this page is intentionally blank.)

5007. Award Requirements.

1. The award amount will be determined and published by GSFA on *gsfc.org* each year. The total number of awards made is contingent upon available funding.
2. The amount for each recipient shall not exceed \$10,000 per year, up to an aggregate total of \$60,000.
3. The annual amount may be reduced in order to make more loan repayment assistance awards.
4. If funding is insufficient to make awards to all eligible applicants, first preference will be given to renewal applicants who meet the eligibility requirements.

(The remainder of this page is intentionally blank.)

5008. Selection Criteria.

5008.1. Selection of Recipients.

1. GSFA shall select eligible recipients from those who have submitted a complete Application.
2. After all renewal awards have been given, selection of additional award recipients will be made as follows:
 - a. The total amount available will be divided equally between Prosecutors and Public Defenders.
 - b. Priority, in combination with the following criteria, is then given to those who file timely Applications and are considered the least able to pay their student loan debt.
3. The pool of applicants is based on the three federal court districts in the state (refer to *Section 5015*).
 - a. GSFA will use the address of the applicant's employer to determine in which district to count the applicant.
 - b. The number of each awarded in each district will be based upon the percentage of Applications received from each district. For example, if 100 total Public Defender Applications are received and 40 are received from the Northern district, then the Northern district will receive 40% of the Public Defender awards, or approximately 11 awards.
 - c. Benefits to individual applicants within each of the three federal court districts will be awarded based on a formula that ranks each applicant according to the applicant's Ability to Pay his or her student loans. The formula, as detailed in *Section 5016*, considers an applicant's total eligible educational debt; an applicant's gross salary (excluding fringe benefits); and an adjustment for cost of living based on the applicant's standard metropolitan statistical area.
 - i. Each individual applicant will be ranked according to the Ability to Pay formula (with separate rankings for the Prosecutor side and the Public Defender side).
 - ii. Applicants are then selected for awards, starting with those individuals that the formula has determined are least able to pay.
 - iii. If two applicants are ranked equally in the Ability to Pay calculation within the same district and there are insufficient awards to award both applicants, a computer randomization program will be used to select the applicant to be awarded.

- iv. In the event that a particular district has excess funds, then the remaining dollars in that district's allocation will be awarded to the highest-ranked individuals (ensuring the Prosecutor/Public Defender allocated funds remain in balance) who have not been funded regardless of location of practice.

5009. Procedures for Disbursing Funds.

(The remainder of this page is intentionally blank.)

2. Arrangements for Repayment will be made with the United States Department of Justice.

5013.2. Documentation.

1. Documentation contained within an individual recipient's file or record, which supports the original determination of a recipient's eligibility, must be retained by GSFA's office in the State of Georgia and be available for review by the United States Department of Justice.

 - a. GSFA will review the case and notify the applicant of the determination.
3. In order for an Administrative Review to be considered, the applicant must submit a written request for an Administrative Review to GSFA's office within 45 calendar days of receiving notice of denial.
