The disbursed funds for an academically ineligible invoice must be returned to GSFC or the invoice must be canceled.

2. Eligible Postsecondary Institutions may submit HOPE Scholarship invoices to GSFC as early as 15 calendar days prior to the first day of classes for the school term.
3. Invoices for any term will be held in a pending status until transcript data records for the preceding term are submitted and CHECS calculations are processed. The CHECS calculation is required to determine continued academic eligibility.

4. Prior to the beginning of any award year and no later than June 30 of each year GSFC shall establish and publish the Invoicing Deadline Dates for each school term for the upcoming Award Year.
5. Invoices submitted after the Invoicing Deadline Date may be honored or paid if the failure to meet the date was because of:
  - a. The need for supplemental documentation required by the Eligible Postsecondary Institution or GSFC to support or verify a student's eligibility; or
  - b. Late grades, late completions, grade changes; or
  - c. Other adjustments made to the student's official academic transcript that resulted in a change in eligibility, and the student met all other eligibility requirements prior to the deadline.

  - a. A student is ineligible for the HOPE Scholarship for coursework from which he or she totally withdrew, as long as such coursework does not appear on the student's academic transcript as a "W" or any other code or type of identification for such a withdrawal.
  - b. If the Eligible Postsecondary Institution invoiced GSFC prior to a student's total withdrawal, then the Eligible Postsecondary Institution must cancel the student's HOPE award for that term, through SURFER.
2. If applicable, the Eligible Postsecondary Institution must first apply the Federal Title IV return of funds policy for any federal aid the student may have received.
  - a. To determine the refund due to HOPE, the Eligible Postsecondary Institution must apply the institution's refund policy, which may or may not be identical to the Federal Title IV return of funds policy, to the student's original HOPE award for Tuition.
3. The Eligible Postsecondary Institution must determine the amount of the refund due back to the HOPE Program. The amount of the HOPE award not determined to be owed back to the HOPE Program is retained by the Eligible Postsecondary Institution to cover the institution's cost for the portion of the school term that the student was enrolled.
  - a. The Eligible Postsecondary Institution must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within forty-five (45) calendar days of the determination.
  - b. If the student only received HOPE funds, the Eligible Postsecondary Institution should return the funds determined to be owed to the HOPE Program within forty-five (45) calendar days of the refund determination.
    - i. The Eligible Postsecondary Institution should then collect the refund amount from the student.
    - ii. The student should not be reported with a refund due status to GSFC since the funds have been repaid to GSFC.

4. If the student received a combination of Federal Title IV funds and HOPE funds, the Eligible Postsecondary Institution may not have sufficient funds on hand from the student's award disbursements to return to GSFC the refund owed to the HOPE Program, after applying the Federal Title IV return of funds policy.
  - a. In this instance, the student is considered to have a refund due to GSFC and the Eligible Postsecondary Institution must report the student to GSFC with a refund due status.

#### **111.2. Collection of Refunds.**

1. A student in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. The borrower will be given 60 days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

#### **111.3. Emergency Military Duty.**

1. A student who is a member of the United States Armed Forces, National Guard, or Military Reserve Forces receiving funds from the HOPE Scholarship Program who is called to emergency military duty during a school term that is already in progress should not have his or her HOPE Scholarship eligibility negatively impacted.
2. If the Eligible Postsecondary Institution the student attends allows the student to totally withdraw and receive a grade such as "WM" for "military withdrawal" or the Eligible Postsecondary Institution totally removes all grades for that term and corresponding credit hours from the student's records, the Eligible Postsecondary Institution should return the full amount of the HOPE Scholarship award to the HOPE account.
3. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the United States Armed Forces, as determined by the president of the Eligible Postsecondary Institution that such student is attending.

  - a. Any pending, rejected or academically ineligible invoices must be fully resolved prior to Fiscal Year End Reconciliation.

2. Eligible Postsecondary Institutions are permitted to maintain these documents in an imaged media format. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.
  - a. Such documentation may include, but is not limited to, copies of permanent resident alien cards, Georgia state income tax returns, student financial aid applications and academic transcripts from previous institutions.
  - b. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained by the Eligible Postsecondary Institution's financial aid office.
  - c. Documentation supporting a student's eligibility that is received and maintained by the Eligible Postsecondary Institution's admissions office, registrar's office, business office, and other administrative operations must be available to GSFC for the purpose of Compliance Reviews.
3. It is the Eligible Postsecondary Institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing HOPE funds to the student.

  - b. GSFC decides a case based only on documentation provided, rather than a personal presentation.

### **114.2. Requesting an Exception.**

1. The Board of Commissioners of GSFC may grant a HOPE Scholarship award to a student who fails to meet the regulatory requirements for HOPE Scholarship funds in very limited and exceptional cases, as provided by *Section 114.3 Guidelines for Approval of an Exception Request*. The Board of Commissioners has sole discretion to grant an Exception based on the circumstances presented by a student who has incurred a loss of HOPE Scholarship eligibility.
  - a. No student has the right to a HOPE Scholarship award under any circumstances described in *Section 114.4*.

- b. No student has the right to appeal the denial of an Exception by the Board of Commissioners.
  - c. Each individual HOPE Scholarship recipient is limited to one Exception, as granted by the Board of Commissioners, and such Exception shall only apply to one school term, during which HOPE Scholarship funds were received.
  - d. The authority of the Board of Commissioners to grant Exceptions extends only to the determination of Attempted-Hours and/or Paid-Hours, and only to the extent such Exceptions would not be contrary to state law. The Board of Commissioners does not have authority to revise a student's Postsecondary Cumulative Grade Point Average or waive the requirements that a student attain or maintain a specific Postsecondary Cumulative Grade Point Average as otherwise required herein or by law.
2. Exceptions may be granted for extenuating circumstances such as:
- a. Serious Illness, Psychiatric Disorder, or Serious Injury experienced by the student; or
  - b. Death of an Immediate Family Member and/or step-parent, step-child or step-sibling; or
  - c. Immediate Family Member and/or step-parent, step-child or step-sibling experienced a Serious Illness, Psychiatric Disorder, or Serious Injury and the student had to provide temporary care of the family member.
  - d. In cases where Serious Illness, Psychiatric Disorder or Serious Injury is the basis for an Exception request, the Serious Illness must have been treated, Psychiatric Disorder must have been diagnosed, or Serious Injury must have been sustained within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
  - e. In cases where death of a family member, as listed above, is the basis for an Exception request, the family member's death must have occurred within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
3. The GSFC Board of Commissioners' decision to approve or deny an Exception request is final and cannot be appealed. In order for an Exception to be considered:
- a. A student who withdrew completely from a term and lost eligibility at a Checkpoint must submit a written request for an Exception no later than the last day of the term of re-enrollment.
  - b. A student who previously withdrew completely from a term but did not lose eligibility and is reaching the Attempted-Hours or Paid-Hours limit, must submit a

written request for an Exception during the term in which the student has reached or is within 15 hours of the Attempted-Hours and/or Paid-Hours Limit.

- c. Omission of documentation or incomplete requests may not be considered by the GSFC Board of Commissioners and may result in an automatic denial.
  - d. Requests for an Exception may be submitted to GSFC via US mail, email, or hand delivery. All required documentation must be provided at the time of submission.
4. Items required to be considered for an Exception by GSFC must be received by close of business on the deadline date listed below. These items are to be received by GSFC in one complete packet. Incomplete packets may not be considered. In some cases, it may be necessary to wait until the next board meeting to convene before a decision can be rendered.

5. GSFC staff shall review each request for Exception to determine whether such request satisfies the Guidelines for Approval of an Exception Request set forth in *Section 114.3*.

Each request for Exception that has been determined by GSFC staff to satisfy the Guidelines for Approval of an Exception Request set forth in *Section 114.3*, shall be summarized by staff and presented to the Public Policy and Law Committee of the Board of Commissioners. The requests for Exceptions shall be approved or denied by the Public Policy and Law Committee. The Committee's decisions are then presented to the full Board for approval or denial.

- a. GSFC staff will notify the student of the Board of Commissioners' decision within seven calendar days of the approval or denial.
- b. The Board of Commissioners has heretofore authorized staff to deny, on its behalf, each request for Exception that has been determined by GSFC staff to fall within the Guidelines for Denial of an Exception Request set forth in *Section 114.4*. Such requests for Exception shall not be presented to the Public Policy and Law Committee of the Board of Commissioners, unless the student, having been informed of the denial, shall have requested that such request be submitted to the Public Policy and Law Committee, by the deadline set forth in *Section 114.2.4* above.

6. Exceptions granted by the Board of Commissioners shall provide for the forgiveness of postsecondary Attempted-Hours and/or Paid-Hours, but:
  - a. In no case or circumstance shall a student's postsecondary grade(s), as determined by the student's postsecondary institution, be forgiven or altered by the Board of Commissioners.
  - b. Under no circumstances, shall an Exception be made regarding student data submitted to GSFC by a student's high school for purposes of determining the student's eligibility for a HOPE Scholarship.

### **114.3. Guidelines for Approval of an Exception Request.**

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board's sole discretion. The classifications are based on the following guidelines:

**A1** Requests for an Exception may be granted for a HOPE Scholar who has reached a Checkpoint and lost HOPE eligibility without yet earning a Postsecondary Cumulative Grade Point Average or a student who has reached an Attempted-Hours Checkpoint for entry into the HOPE Scholarship Program without yet earning a Postsecondary Cumulative Grade Point Average, where such failure to earn a Postsecondary Cumulative Grade Point Average is the result of having withdrawn from or taken Incompletes, in all coursework during a term due to an extenuating circumstance listed in Section 114.2.2.

1. This Exception provides for HOPE Scholarship retroactive payment from the point at which the student lost HOPE Scholarship eligibility or from the point at which the student reached an Attempted-Hours Checkpoint for entry into the program if the student has at least a 3.00 Postsecondary Cumulative Grade Point Average after attempting 12 hours of coursework for which he or she received letter grades (A=4.00, B=3.00, C=2.00, D=1.00, F=0.0).
2. The Attempted-Hours and/or Paid-Hours from which the student withdrew may be forgiven so that the student's total length of eligibility for HOPE Scholarship is extended.

**A2** Requests for an Exception may be granted for a HOPE Scholarship recipient who completely withdrew from all courses during a term and has exceeded the Attempted-Hours and/or Paid-Hours limit for the HOPE Scholarship or has 15 semester hours or less remaining to reach the Attempted-Hours and/or Paid-Hours limit. By forgiving the hours from which the student withdrew, the student's total length of eligibility for HOPE is extended, if:

1. The student experienced an extenuating circumstance listed in Section 114.2.2; and

2. The student remains academically eligible to receive the HOPE Scholarship.

**A3** Requests for an Exception may be granted for a HOPE Scholarship recipient who lost HOPE Scholarship eligibility at a Checkpoint due to complete withdrawal from a term, if:

1. The student experienced an extenuating circumstance listed in Section 114.2.2; and

2. The student has at least a 3.00 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (withdrawal hours not included).

a. By forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's Attempted-Hours Checkpoint is delayed by a term or terms and the student's total length of eligibility for HOPE is extended. In this circumstance, it is necessary to wait for another term or terms of grades to be posted to determine, if:

i. The student achieves a 3.00 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (once hours are forgiven); and

i. The student is eligible to retain HOPE and to be reimbursed from the point at which the student lost HOPE eligibility.

**A4** Requests for an Exception may be granted for a HOPE Scholarship recipient who lost HOPE Scholarship eligibility at an Attempted-Hours Checkpoint or exceeded the Attempted-Hours and/or Paid-Hours limit during a single term with a partial withdrawal, if:

1. The student experienced an extenuating circumstance listed in Section 114.2.2 and the Eligible Postsecondary Institution made it compulsory for the student to withdraw from a course(s); and

2. The student has at least a 3.00 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (once hours are forgiven and all "incomplete" grades are reported).

a. By forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's Attempted-Hours Checkpoint is delayed by a term or terms and the student's total length of eligibility for HOPE is extended.

i. In this circumstance, it is necessary to wait for another term or terms of grades to be posted to determine if the student achieves at least a

3.00 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (withdrawal hours not included); and

- ii. The student is eligible to retain HOPE and to be reimbursed from the point at which the student lost HOPE eligibility.

**A5** Requests for an Exception may be granted for a HOPE Scholarship recipient who lost HOPE Scholarship eligibility at an End-of-Spring or Three-Term Checkpoint with a Postsecondary Cumulative Grade Point Average greater than 0.00, but less than 3.00 or exceeded the Attempted-Hours and/or Paid-Hours limit-during a single term with a partial withdrawal, if:

1. The student experienced an extenuating circumstance listed in Section 114.2.2 and the Eligible Postsecondary Institution made it compulsory for the student to withdraw from a course(s); and
2. The student has at least a 3.00 Postsecondary Cumulative Grade Point Average at the next Attempted-Hours Checkpoint (withdrawal hours not included and all “incomplete” grades are reported).
  - a. By forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew the student’s total length of eligibility for HOPE is extended.
    - i. In this circumstance, it is necessary to wait for another term or terms of grades to be posted to determine if the student achieves at least a 3.00 Postsecondary Cumulative Grade Point Average at the next Attempted-Hours Checkpoint (withdrawal hours not included).

**A6** Requests for an Exception may be granted for a HOPE Scholarship recipient who withdrew from all courses during a term because the student was required to report for active duty service in the United States Armed Forces outside the State of Georgia or for deployment overseas, so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student’s total length of eligibility for HOPE is extended, if:

1. The student can show that his or her active service began during the term from which he or she withdrew; and
2. The student remains academically eligible to receive the HOPE Scholarship.

#### **114.4. Guidelines for Denial of an Exception Request.**

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board’s sole discretion. The classifications are based on the following guidelines:

- D1** If it is Mathematically Impossible for the student to have at least a 3.00 Postsecondary Cumulative Grade Point Average at the new 30, 60, or 90 semester-hour (45, 90, or 135-quarter-hour) HOPE Scholarship Checkpoint, even after withdrawal hours are forgiven.
- D2** If the student does not provide a request for an Exception in writing as set forth in section 114.2.3.
- D3** If the basis of the request is the diagnosis of or presence of a learning disability.
- D4** If the underlying cause for the student's request for an Exception is attributed to a criminal act committed by the student, that resulted in a conviction or a plea of guilty or nolo contendere.
- D5** If the basis of an Exception request is to have a student's postsecondary grade(s), as determined by the student's postsecondary institution, forgiven or altered by the Board of Commissioners.
- D6** If the basis of the request is student-data submitted to GSFC by a student's high school for purposes of determining the student's eligibility for a HOPE Scholarship.
- D7** If the basis of the request is a Serious Illness, Serious Injury or Psychiatric Disorder that was not sustained, diagnosed or treated within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
- D8** If the basis of the request is the death of an Immediate Family Member and/or step-parent, step-child or step-sibling, and the death did not occur within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
- D9** If the student did not receive HOPE Scholarship funds during the term of withdrawal.
- D10** If the request seeks an Exception from the laws governing the HOPE Program.
- D11** If the student is still beyond the Attempted-Hours and/or Paid-Hours limit even if the hours from which the student withdrew are forgiven.
- D12** If the basis of the request is a reason other than those specifically listed in *Section 114.3.* of these regulations.

## **115. Compliance Reviews.**

### **115.1. Compliance Review Policy.**

1. GSFC shall conduct Compliance Reviews of Eligible Postsecondary Institutions participating in the HOPE Scholarship Program in order to assess institutional administration of the program and compliance with the program's regulations. Such Compliance Reviews shall be conducted no less frequently than once every three years in accordance with GSFC's *Compliance Review Process and Procedures* document, which is available at [gsfc.georgia.gov](http://gsfc.georgia.gov), under *Information for School Compliance*.

### **115.2. Compliance Review Process.**

1. GSFC selects a sampling of the Eligible Postsecondary Institution's HOPE Scholarship recipients, for the Award Year under review, and the Eligible Postsecondary Institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the postsecondary institution.
  - a. GSFC will exclude Residency determinations for HOPE Scholarship recipients, as they relate to *Section 104.2.1.* and SAP determinations, in the selected sample for any USG or TCSG institution, that has submitted a signed certification to GSFC's Compliance Department by the President of the Eligible Postsecondary Institution that:
    - i. The Eligible Postsecondary Institution is in compliance with its policies and procedures in the determination and the administration of the financial aid award process relative to Residency and SAP requirements; and
    - ii. The Residency and SAP determinations have been fairly and consistently applied with respect to all students receiving the HOPE awards.
  - b. Such certification must be submitted annually to GSFC's Compliance Department in the format required by GSFC.
    - i. Failure to provide such certification will result in a review of Residency determinations and SAP determinations made for HOPE Scholarship recipients in the selected sample.

### **115.3 Institutional Repayment.**

1. In the event it is determined that an Eligible Postsecondary Institution knowingly or through error certified an ineligible student to be eligible for HOPE Scholarship, the amount of such scholarship shall be refunded by the Eligible Postsecondary Institution to GSFC.

2. GSFC may suspend an Eligible Postsecondary Institution from receiving HOPE Scholarship payments if it fails to timely refund any monies deemed due based on the Compliance Review.
3. Any person who knowingly makes or furnishes any false statement or misrepresentation, or who accepts such statement or misrepresentation knowing it to be false, for the purpose of enabling an ineligible student to wrongfully obtain a HOPE Scholarship award shall be guilty of a misdemeanor.
4. If evidence not available at the time of awarding, indicates that a student should not have received the HOPE Scholarship payment, then all future HOPE Scholarship awards for that student must be canceled.
  - a. The Eligible Postsecondary Institution is held harmless by GSFC, if the student's file is adequately documented with available evidence and it is determined by GSFC that the Eligible Postsecondary Institution was not at fault.
  - b. Evidence is considered unavailable at the time of awarding if it is not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
5. The Eligible Postsecondary Institution must notify the student and GSFC of a refund due to GSFC.
6. The student will be ineligible to receive additional state aid from GSFC until the repayment is paid in full, in accordance with *Section 111.2*.
7. If GSFC determines the student's file is not adequately documented, then the Eligible Postsecondary Institution may be solely responsible for the repayment.
