3002. Program Overview.

The Zell Miller Grant Program provides grant assistance to residents of Georgia pursuing Certificates or Diplomas at Georgia's eligible public postsecondary institutions. The Zell Miller Grant Program does not include a high school academic requirement, however, recipients are required to have a minimum Postsecondary Cumulative Grade Point Average of 3.50 at the end of each term. The purpose of the Zell Miller Grant Program is to encourage Georgians to obtain technical education in order to increase the knowledge and skills of Georgia's workforce.

An eligible student seeking a Certificate or Diploma from a Technical College System of Georgia (TCSG) or University System of Georgia (USG) institution may receive Zell Miller Grant funds as determined by the Georgia Student Finance Commission (GSFC).

The Zell Miller Grant Program was created beginning with the Fall term of the 2014- 2015 Award Year (State Fiscal Year 2015). The program is fully funded by the Georgia Lottery for Education and administered by GSFC, in accordance with the Official Code of Georgia Annotated (O.C.G.A.) §20-3-519, etseq.

Students Enrolled in a GSFC approved, designated program of study who are eligible for, and receiving, Zell Miller Grant funding may also be eligible for funding from the HOPE Career Grant.

Beginning with the 2020-2021 Award Year, high school students who are eligible in accordance with O.C.G.A. §20-3-519.5, may receive Zell Miller Grant and HOPE Career Grant after exhausting Dual Enrollment funding hours.

Effective Fall term 2018 (FY2019), all Eligible Postsecondary Institutions must comply with the College HOPE Eligibility Calculation Service (CHECS) requirements, including timely submission of student academic transcript data for HOPE and Zell Miller Scholarship and Grant GPA calculation, checkpoint and hours.
2. All Eligible Postsecondary Institutions must utilize the College HOPE Eligibility Calculation Service (CHECS) eligibility determinations beginning Winter quarter and Spring semester 2019 (FY2019) in regard to student award determinations and disbursements.
 - a. CHECS calculation records are subject to change and may not have the complete academic transcript data. Calculations are dependent upon Eligible Postsecondary Institutions submitting accurate and complete transcript data.
 - b. Eligible Postsecondary Institutions are required to report cases of incomplete or conflicting academic information and should not award based on data identified as conflicting or incomplete.
3. Eligible Postsecondary Institutions are required to obtain academic transcripts from institutions a student has attended previously with degree level coursework or coursework accepted for degree credit.
4. The Eligible Postsecondary Institution must submit, for the ending term, transcript data records that result in CHECS calculations prior to the upcoming term invoices being paid.
 - a. Invoices for any term will be held in a pending status until transcript data records for the preceding term are submitted and CHECS calculations are processed.
 - b. An invoice submitted and paid for a student that is later found to be academically ineligible due to updated transcript data records submitted in CHECS will be classified as academically ineligible. The disbursed funds for an academically ineligible invoice must be returned to GSFC or the invoice must be canceled.

3011. Invoicing Requirements.

3011.1. Submission of Invoices.

1. Invoices must be submitted through GSFC's online invoicing system, Scholarship Up-to-date Records for Electronic Reporting (SURFER), processed, and approved by GSFC by the Invoicing Deadline Date as established by GSFC. Each invoice submitted by the Eligible Postsecondary Institution must include Enrolled-Hours, Paid-Hours, and the student's program of study information, when applicable to the program.
 - a. In the event invoices are submitted to GSFC by Eligible Postsecondary Institutions after the Invoicing Deadline Date for a school term, GSFC may issue a notice of failure to meet the Invoicing Deadline Date to the President and/or governing body of the Eligible Postsecondary Institution and the invoices may not be honored.
2. Eligible Postsecondary Institutions may submit Zell Miller Grant invoices to GSFC as early as 15 calendar days prior to the first day of classes for the school term.
3. Invoices for any term will be held in a pending status until transcript data records for the preceding term are submitted and CHECS calculations are processed. The CHECS calculation is required to determine continued academic eligibility.
 - a. Effective Winter quarter and Spring semester 2019 (FY2019), the majority of transcript data records for Fall term 2018 (FY 2019) must be reported and CHECS calculations performed prior to Winter quarter or Spring semester 2019 (FY2019) invoices being paid.
4. Prior to the beginning of any Award Year and no later than June 30 of each year GSFC shall establish and publish the Invoicing Deadline Dates for each school term for the upcoming Award Year.
5. Invoices submitted after the Invoicing Deadline Date may be honored or paid if the failure to meet the date was because of:
 - a. The need for supplemental documentation required by the Eligible Postsecondary Institution or GSFC to support or verify a student's eligibility; or
 - b. Late grades, late completions, grade changes; or
 - c. Other adjustments made to the student's official academic transcript that resulted in a change in eligibility and the student met all other eligibility requirements prior to the deadline.

 - a. A student is ineligible for the Zell Miller Grant for coursework from which he or she totally withdrew if, as a result, such coursework does not appear on the student's academic transcript as a "W" or any other code or identification for such a withdrawal.
 - b. If the Eligible Postsecondary Institution invoiced GSFC prior to the student's total withdrawal, then the Eligible Postsecondary Institution must cancel the student's Zell Miller Grant award for that term, through SURFER.
2. To determine the refund due to the Zell Miller Grant Program, the Eligible Postsecondary Institution must first apply the Federal Title IV Program's Return of Funds policy for any federal aid the student may have received.
 - a. If applicable, the Eligible Postsecondary Institution must then apply the Eligible Postsecondary Institution's refund policy, which may or may not be identical to the Federal Title IV Programs Return of Funds policy, to the student's original Zell Miller Grant award for Tuition
3. The Eligible Postsecondary Institution must determine the amount of the refund due to the Zell Miller Grant Program. The amount of the Zell Miller Grant award not determined to be owed to the Zell Miller Grant Program is retained by the Eligible Postsecondary Institution to cover the institution's cost for the portion of the school term that the student was Enrolled.
 - a. The Eligible Postsecondary Institution must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within forty-five (45) calendar days of the determination.
 - b. If the student only received Zell Miller Grant funds, the Eligible Postsecondary Institution should return the funds determined to be owed to the Zell Miller Grant Program within forty-five (45) calendar days of the refund determination.
 - i. The Eligible Postsecondary Institution would then collect the refund amount from the student.
 - ii. The student should not be reported with a refund due status to GSFC since the funds have been repaid to GSFC.

4. If the student received a combination of Federal Title IV funds and Zell Miller Grant funds, the Eligible Postsecondary Institution may not have sufficient funds on hand from the student's award disbursements to return to GSFC the refund owed to the Zell Miller Grant Program, after applying the Federal Title IV Return of Funds policy.
 - a. In this instance, the student is considered to have a refund due to GSFC and the Eligible Postsecondary Institution must report the student to GSFC with a refund due status.

3012.2. Collection of Refunds.

1. A borrower in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. The borrower will be given sixty days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

3012.3. Emergency Military Duty.

1. A student who is a member of the United States Armed Forces, National Guard, or Military Reserve Forces receiving funds from the Zell Miller Grant Program who is called to emergency military duty during a school term that is already in progress should not have his or her Zell Miller Grant eligibility negatively impacted.
2. If the Eligible Postsecondary Institution the student attends allows the student to totally withdraw and receive a grade such as "WM" for military withdrawal or the Eligible Postsecondary Institution totally removes all grades for that term and corresponding credit hours from the student's records, the Eligible Postsecondary Institution should return the full amount of the Zell Miller Grant award to the Zell Miller Grant account.
3. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the United States Armed Forces, as determined by the president of the Eligible Postsecondary Institution that such student is attending.

 - ii. Documentation supporting a student's eligibility that is received and maintained by the Eligible Postsecondary Institution's admissions office, registrar's office, business office, or other administrative operations of the institution, must be available to GSFC for the purpose of Compliance Reviews.
3. It is the Eligible Postsecondary Institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing Zell Miller Grant funds to the student.

2. If a student believes a Zell Miller Grant rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with GSFC and must follow the Zell Miller Grant Administrative Review process as set forth in these regulations.
3. In order for a request for an Administrative Review to be considered, the student must submit a written request for an Administrative Review to GSFC's office within forty-five calendar days of receiving notice of denial from the Eligible Postsecondary Institution. If additional information is requested from the student, it must be provided within the time frame specified by GSFC.
 - a. GSFC will review the case and determine whether the rule or regulation was applied correctly and notify the student and Eligible Postsecondary Institution of the determination.
 - b. GSFC decides a case based only on documentation provided, rather than a personal presentation.

3015.2. Requesting an Exception.

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board's sole discretion. The classifications are based on the following guidelines:

A30Z Requests for an Exception may be granted for a Zell Miller Grant recipient who completely withdrew from all courses during a term due to an extenuating circumstance as listed in 3014.2.2. The Attempted-Hours and/or Paid-Hours from which the student withdrew, may be forgiven so that the student's total length of eligibility for Zell Miller Grant is extended.

A31Z Requests for an Exception may be granted for a Zell Miller Grant recipient who partially withdrew from a term due to an extenuating circumstance listed in Section 3014.2.2 and the Eligible Postsecondary Institution made it compulsory for the student to withdraw from a course(s), so that by forgiving the Attempted-Hours and/or Paid- Hours from which the student withdrew, the student's total length of eligibility for Zell Miller Grant is extended.

A32Z Requests for an Exception may be granted for a Zell Miller Grant recipient who withdrew from all courses during a term because the student was required to report for active duty service in the United States Armed Forces outside the State of Georgia or for deployment overseas, so that by forgiving the Paid-Hours from which the student withdrew, the student's total length of eligibility for a Zell Miller Grant is extended, if:

1. The student can show that his or her active service began during the term from which he or she withdrew; and
2. The student remains academically eligible to receive the Zell Miller Grant.

3015.4. Guidelines for Denial of an Exception Request

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval

- D31Z** If the basis of the request is the diagnosis of or presence of a learning disability.
- D32Z** If the underlying cause for the student's request for an Exception is attributed to a criminal act committed by the student, that resulted in a conviction or a plea of guilty or nolo contendere.
- D33Z** If the basis of an Exception request is to have a student's postsecondary grade(s), as determined by the student's postsecondary institution, forgiven or altered by the Board of Commissioners.
- D34Z** If the basis of the request is a Serious Illness, Serious Injury or Psychiatric Disorder that was not sustained, diagnosed or treated within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
- D35Z** If the basis of the request is the death of an Immediate Family Member and/or step-parent, step-child or step-sibling, and the death did not occur within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
- D36Z** If the request seeks an Exception from the laws governing the Zell Miller Grant Program.
- D37Z** If the student did not receive Zell Miller Grant funds during the term of withdrawal.
- D38Z** If the basis of the request is a reason other than those specifically listed in *Section 3015.3*.

Such Compliance Reviews shall be conducted no less frequently than once every three years in accordance with GSFC's *Compliance Review Process and Procedures* document, which is available at gsfc.georgia.gov, under *Information for School Compliance*.

3016.2. Compliance Review Process.

1. GSFC selects a sampling of the Eligible Postsecondary Institution's Zell Miller Grant recipients, for the Award Year under review, and the Eligible Postsecondary Institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the Eligible Postsecondary Institution (refer to *Section 3013*).
 - a. GSFC will exclude Residency determinations, as they relate to *Section 3004.2.1.*, and SAP determinations made for Zell Miller Grant recipients, in the selected sample of any USG or TCSG institution that has submitted a signed certification to GSFC's Compliance Department by the President of the Eligible Postsecondary Institution that:
 - i. The Eligible Postsecondary Institution is in compliance with its policies and procedures in the determination and the administration of the financial aid award process relative to Residency requirements and SAP; and
 - ii. The Residency and SAP determinations have been fairly and consistently applied with respect to all students receiving the Zell Miller Grant award.
 - b. Such certification must be submitted annually to the Compliance Department of GSFC in the format required by GSFC.

3016.3. Institutional Repayment.

1. In the event it is determined that an Eligible Postsecondary Institution knowingly, or through error, certified an ineligible student to be eligible for Zell Miller Grant, the amount of such grant shall be refunded by the Eligible Postsecondary Institution to GSFC.

4. If evidence not available at the time of awarding indicates that a student should not have received the Zell Miller Grant payment, then all future Zell Miller Grant awards for that student must be canceled.
 - a. The Eligible Postsecondary Institution is held harmless by GSFC if a student's file is adequately documented with available evidence and it is determined by GSFC that the Eligible Postsecondary Institution was not at fault.
 - b. Evidence is considered unavailable at the time of awarding if it was not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
5. The Eligible Postsecondary Institution must notify the student and GSFC of a refund due to GSFC.
6. The student will be ineligible to receive additional state aid from GSFC until the funds are repaid in full, in accordance with *Section 3012.2*.
7. If GSFC determines that the student's file is not adequately documented, then the Eligible Postsecondary Institution may be solely responsible for the repayment.
