Note: Award amounts at private institutions may vary during the term a student reaches the paid or attempted hours cap. See state program regulations at www.gsfc.org for more information. Most of the award rates for University System of Georgia institutions are calculated by multiplying the Board of Regents' approved hourly rate by the number of hours enrolled; the exceptions are Georgia College and State University, Georgia Institute of Technology, and University of Georgia.

The award amounts shown are for the Fall 2020 through Summer 2021 terms. Summer 2020 award amounts are based on FY 2020 rates. Final eligibility and award amount is determined by the college or university.
