302. Program Overview.

The HOPE Grant Program provides grant assistance to residents of Georgia pursuing Certificates or Diplomas at Georgia's public postsecondary institutions. Unlike the HOPE Scholarship Program, students are not required to graduate from high school with a specific GPA. However, students are required to have a minimum postsecondary cumulative GPA of 2.00 at certain Checkpoints. The purpose of the HOPE Grant Program is to encourage Georgians to obtain technical training in order to increase the knowledge and skills of Georgia's workforce.

An eligible student seeking a Certificate or Diploma from a Technical College System of Georgia (TCSG) or University System of Georgia (USG) institution may receive HOPE Grant funds as determined by Georgia Student Finance Commission (GSFC).

The HOPE Grant Program was created beginning with the 1993-1994 Award Year (State Fiscal Year 1994). The program is fully funded by the Georgia Lottery for Education and administered by GSFC, in accordance with the Official Code of Georgia Annotated (O.C.G.A.) §20-3-519, et seq.

Beginning with the 2013-2014 Award Year, students Enrolled in a GSFC approved, designated program of study who are eligible for, and receiving, HOPE Grant funding may also be eligible for funding from the Strategic Industries Workforce Development Grant (SIWDG).

In the event invoices are submitted to GSFC by Eligible Postsecondary Institutions after the Invoicing Deadline Date for a school term, GSFC may issue a notice of failure to meet the Invoicing Deadline Date to the President and/or governing body of the Eligible Postsecondary Institution and the invoices may not be honored.

 - b. Late grades, late completions, grade changes; or
 - c. Other adjustments made to the student's official academic transcript that resulted in a change in eligibility and the student met all other eligibility requirements prior to the deadline.

309.2. Payment of Invoices.

1. HOPE Grant funds are paid to Eligible Postsecondary Institutions by electronic transfer of funds on behalf of eligible students each school term upon submission to GSFC of a HOPE Grant invoice.

309.3. Tuition Payments.

1. Upon receipt of HOPE Grant payments from GSFC, the Eligible Postsecondary Institution must credit the amount of payment on behalf of an eligible student to the account of the student, toward tuition.

310. Student Refunds.

310.1. Calculation of Refunds.

1. If the student officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment and is entitled to a refund, a portion of such refund may need to be returned to the HOPE Grant fund.
 - a. A student is ineligible for the HOPE Grant for coursework from which he or she totally withdrew if, as a result, such coursework does not appear on the student's academic transcript as a "W" or any other code or identification for such a withdrawal.
 - b. If the Eligible Postsecondary Institution invoiced GSFC prior to the student's total withdrawal, then the Eligible Postsecondary Institution must cancel the student's HOPE award for that term, through SURFER.
2. To determine the refund due to the HOPE Grant Program, the Eligible Postsecondary Institution must first apply the Federal Title IV Program's Return of Funds policy for any federal aid the student may have received.
 - a. If applicable, the Eligible Postsecondary Institution must then apply the Eligible Postsecondary Institution's refund-policy, which may or may not be identical to the Federal Title IV Programs Return of Funds policy, to the student's original HOPE Grant award for Tuition.
3. The Eligible Postsecondary Institution must determine the amount of the refund due back to the HOPE Grant Program. The amount of the HOPE award not determined to be owed back to the HOPE Grant Program is retained by the Eligible Postsecondary Institution to cover the institution's cost for the portion of the school term that the student was enrolled.
 - a. The Eligible Postsecondary Institution must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within forty-five (45) calendar days of the determination.
 - b. If the student only received HOPE funds, the Eligible Postsecondary Institution should return the funds determined to be owed to the HOPE Grant Program within forty-five (45) calendar days of the refund determination.
 - i. The Eligible Postsecondary Institution would then collect the refund amount from the student.
 - ii. The student should not be reported with a refund due status to GSFC since the funds have been repaid to GSFC.

4. If the student received a combination of Federal Title IV funds and HOPE funds, the Eligible Postsecondary Institution may not have sufficient funds on hand from the student's award disbursements to return to GSFC the refund owed to the HOPE Grant Program, after applying the Federal Title IV Return of Funds policy.
 - a. In this instance, the student is considered to have a refund due to GSFC and the Eligible Postsecondary Institution must report the student to GSFC with a refund due status.

310.2. Collection of Refunds.

1. A borrower in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. GSFC will notify the borrower that they are in default and GSFC intends to proceed with any of the remedies listed in this subsection. The borrower will be given 60 days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

310.3. Emergency Military Duty.

1. A student who is a member of the United States Armed Forces, National Guard, or Military Reserve Forces receiving funds from the HOPE Grant Program who is called to emergency military duty during a school term that is already in progress should not have his or her HOPE Grant eligibility negatively impacted.
2. If the Eligible Postsecondary Institution the student attends allows the student to totally withdraw and receive a grade such as "WM" for military withdrawal or the Eligible Postsecondary Institution totally removes all grades for that term and corresponding credit hours from the student's records, the Eligible Postsecondary Institution should return the full amount of the HOPE Grant award to the HOPE account.
3. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the military, as determined by the president of the Eligible Postsecondary Institution that such student is attending.

311. Reconciliation Requirements.

311.1. Term-Reconciliation.

1. Eligible Postsecondary Institutions must conduct a Term-Reconciliation by the end of each term.
 - a. A Term-Reconciliation consists of an official acknowledgement by an authorized school official through SURFER, that the number of students submitted for payment, amount invoiced by the Eligible Postsecondary Institution, the number of students awarded, and amount issued by GSFC, according to SURFER, is accurate on that date.
 - b. GSFC will not issue any state grant funds for the following term until the Term-Reconciliation is complete.
 - c. Funds are not returned to GSFC as part of the Term-Reconciliation process.

311.2. Fiscal Year End Reconciliation.

1. In addition to the Term-Reconciliations, the Eligible Postsecondary Institution must conduct the Fiscal Year End Reconciliation through SURFER.
 - a. The Eligible Postsecondary Institution must conduct a complete student-by-student Fiscal Year End Reconciliation with GSFC that includes:
 - i. Submission of a reconciliation certification form by July 15, immediately following the completion of the Fiscal Year for each State Program, verifying accuracy of each invoice submitted by the Eligible Postsecondary Institution with respect to Enrolled-Hours, Paid-Hours, Learning Support hours, and the student's program of study information, when applicable to the program; and
 - ii. Return to GSFC any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
 - b. GSFC will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
 - c. The Eligible Postsecondary Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

312. Records Retention Requirements.

312.1. Length of Retention.

1. An Eligible Postsecondary Institution shall maintain accurate records, books, documents and other evidence concerning the HOPE Grant Program, including, but not limited to, individual student files for whichever is longer:
 - a. Three years after the Award Year in which the aid was awarded; or
 - b. For such other period as required by an applicable statute, rule, or regulation; or
 - c. Such other time as requested in writing by GSFC.

312.2. Documentation.

1. Documentation contained within an individual student file or record, which supports the original determination of a student's eligibility, must be retained by the Eligible Postsecondary Institution and available for review by GSFC on the Eligible Postsecondary Institution's campus, located within the State of Georgia, for at least three calendar years after the most recent Award Year for which the student received HOPE funds (refer to *Section 314.*). Eligible Postsecondary Institutions are permitted to maintain these documents in an imaged media format.
2. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.
 - a. Such documentation may include, but is not limited to, copies of permanent resident alien cards, Georgia state income tax returns, student financial aid applications and academic transcripts from previous institutions.
 - i. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained by the Eligible Postsecondary Institution.
 - ii. Documentation supporting a student's eligibility that is received and maintained by the Eligible Postsecondary Institution's admissions office, registrar's office, business office, or other administrative operations of the institution, must be available to GSFC for the purpose of Compliance Reviews.
3. It is the Eligible Postsecondary Institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing HOPE funds to the student.

312.3. Extended Retention.

1. An Eligible Postsecondary Institution may be required to retain student records involved in a Compliance Review Audit or investigation for more than the three-year retention period set forth in *Section 312.1*. If the three-year retention period expires before the issue in question is resolved, the Eligible Postsecondary Institution must continue to retain all associated records until resolution is reached.

313. Administrative Reviews and Exceptions.

1. As provided by this section, a student may request an Administrative Review of the application of a HOPE rule, policy or regulation if the student believes such rule, policy or regulation was incorrectly or improperly applied or a student may request an Exception to a HOPE rule, policy or regulation if there are exceptional circumstances warranting the request.

313.1. Administrative Reviews.

1. The HOPE Grant regulations are applied to each student considered for HOPE Grant funds by appropriate officials of Eligible Postsecondary Institutions and by the administrative staff of GSFC.
2. If a student believes a HOPE Grant rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with GSFC and must follow the HOPE Grant Administrative Review process as set forth in these regulations.
3. In order for a request for an Administrative Review to be considered, the student must submit a written request for an Administrative Review to GSFC's office within 45 calendar days of receiving notice of denial from the Eligible Postsecondary Institution. If additional information is requested from the student, it must be provided within the time frame specified by GSFC.
 - a. GSFC will review the case and determine whether the rule or regulation was applied correctly and notify the student and Eligible Postsecondary Institution of the determination.
 - b. GSFC decides a case based only on documentation provided, rather than a personal presentation.

313.2. Requesting an Exception.

1. The Board of Commissioners of GSFC may grant a HOPE Grant award to a student who fails to meet the regulatory requirements for HOPE Grant funds in very limited and exceptional cases, as provided by *Section 313.3*. The Board of Commissioners has sole discretion to grant an Exception based on the circumstances presented by a student who has incurred a loss of HOPE Grant eligibility.
 - a. No student has the right to a HOPE Grant award under any of the circumstances described in *Section 313.4*.
 - b. No student has the right to appeal the denial of an Exception by the Board of Commissioners.

- c. Each individual HOPE Grant recipient is limited to one Exception, as granted by the Board of Commissioners, and such Exception shall only apply to one school term.
 - d. The authority of the Board of Commissioners to grant Exceptions, hereunder, extends only to the determination of Attempted-Hours and/or Paid-Hours, and only to the extent such Exceptions would not be contrary to state law. The Board of Commissioners does not have authority to revise a student's Postsecondary Cumulative GPA or waive the requirements that a student attain or maintain a specific Postsecondary Cumulative GPA as otherwise required herein or by law.
2. Exceptions may be granted for extenuating circumstances such as a Serious Injury, Psychiatric Disorder, Serious Illness, death of an Immediate Family Member and/or step-parent, step-child or step-sibling, to provide temporary care for an Immediate Family Member and/or step-parent, step-child or step-sibling.
- a. In cases where a Serious Illness, Serious Injury or Psychiatric Disorder is the basis for an Exception request, such illness, injury or psychiatric disorder must have been sustained, diagnosed or treated within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
 - b. In cases where the death of an Immediate Family Member and/or step-parent, step-child or step-sibling is the basis for an Exception request, the death of such family member and or step-parent, step-child or step-sibling must have occurred within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
3. The GSFC Board of Commissioners' decision to approve or deny an Exception request is final and cannot be appealed.
- a. In order for an Exception to be considered, the student must submit a written request for an Exception to GSFC's office within 45 calendar days of receiving notice of denial of his or her HOPE Grant award. All required documentation must be provided at the time of submission.
 - b. Omission of documentation or incomplete requests may not be considered by the GSFC Board of Commissioners and may result in an automatic denial.
4. Items required to be considered for an Exception by GSFC must be received by close of business on the deadline date listed below. These items are to be received by GSFC in one complete packet; incomplete packets may not be considered. In some cases it may be necessary to wait until the next Board meeting to convene before a decision can be rendered.

5. GSFC staff shall review each request for Exception to determine whether such request satisfies the Guidelines for Approval of an Exception Request set forth in *Section 313.3*.

Each request for Exception that has been determined by GSFC staff to satisfy the Guidelines for Approval of an Exception Request set forth in *Section 313.3*, shall be summarized by staff and presented to the Public Policy and Law Committee of the Board of Commissioners. The requests for Exceptions shall be approved or denied by the Public Policy and Law Committee. The Committee's decisions are then presented to the full Board for approval or denial.

- a. GSFC staff will notify the student of the Board of Commissioners' decision within seven calendar days of the approval or denial.
- b. The Board of Commissioners has heretofore authorized staff to deny, on its behalf, each request for Exception that has been determined by GSFC to fall within the Guidelines for Denial of an Exception Request set forth in *Section 313.4*. Such requests for Exception shall not be presented to the Public Policy and Law Committee of the Board of Commissioners, unless the student, having been informed of the denial, shall have requested that such request be submitted to the Public Policy and Law Committee, by the deadline set forth in *Section 313.2.4.a.* above.
6. Exceptions granted by the Board of Commissioners shall provide for the forgiveness of postsecondary Attempted-Hours and/or Paid-Hours; but:
- a. In no case or circumstance shall a student's postsecondary grade(s), as determined by the student's postsecondary institution, be forgiven or altered by the Board of Commissioners.
- b. Under no circumstances, shall an Exception be made regarding student data submitted to GSFC by a student's high school for purposes of determining the student's eligibility for a HOPE Grant.

313.3. Guidelines for Approval of an Exception Request.

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board's sole discretion. The classifications are based on the following guidelines:

A30 Requests for an Exception may be allowed for a HOPE Grant recipient who completely withdrew from all courses during a term due to a Serious Injury, Psychiatric Disorder, Serious Illness, or death of an Immediate Family Member and/or step-parent, step-child or step-sibling, so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's total length of eligibility for HOPE funds is extended.

A31 Requests for an Exception may be allowed for a HOPE Grant recipient who partially withdrew from a term due to a Serious Injury, Psychiatric Disorder, Serious Illness, or death of an Immediate Family Member and/or step-parent, step-child or step-sibling and the student's instructor(s) allowed the student to take an "incomplete" in the course(s) or the Eligible Postsecondary Institution made it compulsory for the student to withdraw from the course(s), so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's total length of eligibility for HOPE funds is extended.

A32 Requests for an Exception may be allowed for a HOPE Grant recipient who completely withdrew from all courses during a term because the student was required to provide temporary care for an Immediate Family member and/or step-parent, step-child or step-sibling and can show that no one else was able to provide the care, so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's total length of eligibility for HOPE funds is extended.

A33 Requests for an Exception may be allowed for a HOPE Grant recipient who partially withdrew from a term because the student was required to provide temporary care for an Immediate Family member and/or step-parent, step-child or step-sibling and can show that no one else was able to provide the care, and the student's instructor(s) allowed the student to take an "incomplete" in the course(s) or the Eligible Postsecondary Institution made it compulsory for the student to withdraw from the course(s), so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's total length of eligibility for HOPE funds is extended.

A34 Requests for an Exception may be granted for a HOPE Grant recipient who withdrew from all courses during a term because the student was required to report for active duty military service outside the state of Georgia or for deployment overseas, so that by forgiving the Paid-Hours from which the

student withdrew, the student's total length of eligibility for a HOPE Grant is extended, if:

1. The student can show that his or her active service began during the term from which he or she withdrew; and
2. The student remains academically eligible to receive the HOPE Grant.

313.4. Guidelines for Denial of an Exception Request.

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board's sole discretion. The classifications are based on the following guidelines:

D30 If the student does not provide a request for an Exception in writing within 45 calendar days of receiving notice of ineligibility for the HOPE Grant.

D31 If the basis of the request is the diagnosis of or presence of a learning disability.

D32 If the underlying cause for the student's request for an Exception is attributed to a criminal act committed by the student, that resulted in a conviction or a plea of guilty or nolo contendere.

D33 If the basis of an Exception request is to have a student's postsecondary grade(s), as determined by the student's postsecondary institution, forgiven or altered by the Board of Commissioners.

D34 If the basis of the request is a Serious Illness, Serious Injury or Psychiatric Disorder that was not sustained, diagnosed or treated within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.

D35 If the basis of the request is the death of an Immediate Family Member and/or step-parent, step-child or step-sibling, and the death did not occur within the six months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.

D36 If the request seeks an Exception from the laws governing the HOPE Grant Program.

D37 If the student did not receive HOPE Grant funds during the term of withdrawal.

D38 If the basis of the request is a reason other than those specifically listed in *Section 313.3*.

314. Compliance Reviews.

314.1. Compliance Review Policy.

1. GSFC shall conduct Compliance Reviews of Eligible Postsecondary Institutions participating in the HOPE Grant Program in order to assess institutional administration of the program and compliance with the program's regulations. Such Compliance Review shall be conducted no less frequently than once every three years in accordance with GSFC's *Compliance Review Process and Procedures* document, which is available on *gsfc.org*, under *Information for School Compliance*.

314.2. Compliance Review Process.

1. GSFC selects a sampling of the Eligible Postsecondary Institution's HOPE Grant recipients, for the Award Year under review, and the Eligible Postsecondary Institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the Eligible Postsecondary Institution (refer to *Section 312.*).
 - a. GSFC will exclude Residency determinations as they relate to *Section 304.2.1.*, and SAP determinations for HOPE Grant recipients, in the selected sample of any USG or TCSG institution that has submitted a signed certification to GSFC's Compliance Department by the President of the Eligible Postsecondary Institution that:
 - i. The Eligible Postsecondary Institution is in compliance with its policies and procedures in the determination and the administration of the financial aid award process relative to Residency requirements and SAP; and
 - ii. The Residency and SAP determinations have been fairly and consistently applied with respect to all students receiving the HOPE Grant award.
 - b. Such certification must be submitted annually to the Compliance Department of GSFC in the format required by GSFC.
 - i. Failure to provide such certification will result in a review of Residency determinations and SAP determinations made for HOPE Grant recipients in the selected sample.

314.3. Institutional Repayment.

1. In the event it is determined that an Eligible Postsecondary Institution knowingly, or through error, certified an ineligible student to be eligible for HOPE Grant, the amount of such grant shall be refunded by the Eligible Postsecondary Institution to GSFC.
2. GSFC may suspend an Eligible Postsecondary Institution from receiving HOPE Grant payments if it fails to timely refund any monies deemed due based on the Compliance Review.
3. Any person who knowingly makes or furnishes any false statement or misrepresentation, or who accepts such statement or misrepresentation knowing it to be false, for the purpose of enabling an ineligible student to wrongfully obtain a HOPE Grant award shall be guilty of a misdemeanor.
4. If evidence not available at the time of awarding indicates that a student should not have received the HOPE Grant payment, then all future HOPE Grant awards for that student must be canceled.
 - a. The Eligible Postsecondary Institution is held harmless by GSFC, if a student's file is adequately documented with available evidence and it is determined by GSFC that the Eligible Postsecondary Institution was not at fault.
 - b. Evidence is considered unavailable at the time of awarding if it was not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
5. The Eligible Postsecondary Institution must notify the student and GSFC of a refund due to GSFC.
6. The student will be ineligible to receive additional state aid from GSFC until the funds are repaid in full, in accordance with *Section 310.2*.
7. If GSFC determines that the student's file is not adequately documented, then the Eligible Postsecondary Institution may be solely responsible for the repayment.
