5202. Program Overview.

Realizing Educational Achievement Can Happen (REACH) Program, launched as a pilot program during the 2011-2012 Academic Year, is a need-based youth development and scholarship program with specific financial, academic, and behavior eligibility requirements. The purpose of the REACH Program is to increase academic persistence and achievement of Georgia's middle and high school students and to increase college access and success for Georgia's low-income and underserved populations. Private and public donations fund the scholarships.

Participating School Systems nominate and select 7th grade students to participate in the program beginning in 8th grade. The program encourages increased parental involvement and offers students the academic and social support of an Academic Coach and mentor. Upon graduation from high school, an eligible student attending an Eligible Postsecondary Institution may receive REACH scholarship funds to use toward any component of the Cost of Attendance.

Beginning with the 2016-2017 Academic Year, GSFA will commence a pilot program, REACH Connections Scholars, designed to extend the benefits of the REACH program to students in the Georgia Foster Care system. Students will be selected in conjunction with the Georgia Division of Family and Children Services.

These programs are administered by the Georgia Student Finance Authority (GSFA), in accordance with these regulations.

5206. Continuing Eligibility During Middle School and High School.

5206.1. General Requirements.

1. A REACH Scholar must be enrolled as a full-time student at an Eligible Middle School or an Eligible High School.

This provision does not apply to REACH Connection Scholars. REACH Connection scholars continue to participate in the program without regard to whether they attend school in a Participating School System so long as all of the program requirements are met. In such instances, GSFA will coordinate with the student and his or her new school system.
4. If a REACH Scholar is determined to be ineligible to continue as a REACH Scholar prior to the end of 8th grade, the Participating School System may choose another student in the same grade to participate as a REACH Scholar by communicating such replacement to GSFA and following requirements for student selection in the REACH Program Regulations, provided that such designation is made prior to the day such replacing student begins 9th grade. If a Scholar is deemed ineligible to participate in 9th, 10th, 11th, or 12th grade, the Participating School System will have the opportunity to include an additional 8th grade Scholar in the next Academic Year's cohort of 8th grade Scholars.

 - c. Consolidating the loan out of a default status;
 - d. Receiving an approved Title IV debt settlement, to include a compromised settlement; or
 - e. Making monthly payments over a specified period agreed-upon with the lender of the Student's federal loan; each payment must be on time and voluntary to be in a satisfactory repayment plan.
3. A student's State of Georgia refund due status can be resolved by:
 - a. Paying the refund due to the Eligible Postsecondary Institution at which the over-award occurred. The Eligible Postsecondary Institution will then forward the payment to GSFA.
4. A student's default status on a State of Georgia loan can be resolved by:
 - a. Paying off the defaulted loan in full.

5. If such student has repaid the defaulted loan or refund due in full, or resolved the default status, then he or she may be eligible to receive state scholarship or grant funds beginning with the school term in which repayment was made in full but not retroactively for previous school terms.

 - b. The appeal should consider attempted hours toward the program in which the student is enrolled, satisfactory qualitative (grade-based) standards, and the student's satisfactory pace in pursuit of completing the program with and without the dual enrollment credits. Eligible Postsecondary Institutions have sole discretion and responsibility for evaluation and approval of any such appeals.
2. A REACH Scholar must maintain a minimum Postsecondary Cumulative Grade Point Average of 2.00.

2. A REACH Scholar's eligibility to receive the award expires five years from the date the student began receiving REACH scholarship funds.
3. A REACH Scholar may have his or her length of eligibility extended if he or she serves on active duty in the military during the two years immediately following the date of his or her high school graduation or if the student is called to and serves on active duty in the military during the five year period following the first date that

REACH scholarship funds were received. The length of such extension will be based on the amount of time served on active duty, rounded up to the nearest whole year.

5207.7. Drug Free Act.

1. A REACH Scholar convicted of committing certain felony offenses involving marijuana, controlled substances, or dangerous drugs, may be ineligible for REACH Scholarship award funds starting on the day of conviction, in accordance with the Georgia Drug-Free Postsecondary Education Act of 1990, O.C.G.A. §20-1-20, et seq.  - c. Upon the REACH Scholar's return to the Home Institution, the Host Institution must provide information necessary for the Home Institution to determine continued REACH eligibility.
 - d. The Home Institution is liable for the return of funds the REACH Scholar receives at the Host Institution, if the Home Institution erroneously certifies the Scholar's eligibility to the Host Institution.

4. A REACH Scholar Enrolled in an Eligible Postsecondary Institution may qualify for REACH payment while participating in a Study Away program.
 - a. The REACH Scholar's Home Institution must be an Eligible Postsecondary Institution and must approve the Study Away program for credit toward the REACH Scholar's program of study requirements prior to the REACH Scholar's departure.

(The remainder of this page is intentionally blank.)

5208. Funding Requirements.

5208.1. Participating School System Financial Commitment.

1. GSFA will provide funding for each REACH scholarship (\$10,000 for each REACH Scholar) for the first year of the Participating School System's participation in REACH. Each year thereafter, the Participating School System will be responsible for a proportionate share of the scholarship and GSFA will fund the remainder subject to available funds. The Participating School System's proportionate share is based on the most current Georgia Department of Community Affairs (DCA) Job Tax Credit designation available. The Participating School Systems' proportionate shares as determined by the DCA designation are as follows:
 - a. Tier 1 Participating School Systems must provide funds totaling \$1,500 per REACH Scholar;
 - b. Tier 2 Participating School Systems must provide funds totaling \$2,500 per REACH Scholar;
 - c. Tier 3 Participating School Systems must provide funds totaling \$3,500 per REACH Scholar;
 - d. Tier 4 Participating School Systems must provide funds totaling \$5,000 per REACH Scholar.
 - e. Funds cannot be obtained from any federal, state, or local government resource.
 - f. The Participating School System of a REACH Connection Scholar is not required to provide local funds for those REACH Connection students.
2. Except where a Participating School System's foundation is receiving funds for the proportionate share of the REACH Scholarships, transfer to GSFA or its designee all funds for scholarships which are received by the Participating School System within ten days of receipt of such funds for its proportionate share and made payable to GSFA's designated qualified 501(c)(3). Where the participating School System's foundation is receiving funds for the proportionate share of the REACH scholarships, the foundation shall transfer to GSFA or its designee funds made payable to the GSFA designated qualified 501(c)(3) by August 15. Said funds will be credited to the remitting Participating School System's proportionate share account. The total amount of a Participating School System's proportionate share shall be remitted to GSFA or its designee no later than August 15 prior to the September signing ceremony for a new cohort of 8th grade REACH Scholars;
3. If a REACH Scholar transfers to a school system that is not participating in REACH or if a Student currently participating in the REACH program is deemed ineligible to participate as a REACH Scholar for other reasons, all scholarship funds set aside

for the Scholar will be retained in the Participating School System's account to be used for a new 8th grade REACH Scholar.

4. If a REACH Scholar transfers to another Participating School System, all funds in the initial Participating School System's account for that Scholar will transfer to the next Participating School System.

(The remainder of this page is intentionally blank.)

5209. Award Requirements.

1. REACH scholarship awards may be applied towards the REACH Scholar's Cost of Attendance as determined by the Eligible Postsecondary Institution in which the student is Enrolled.

5209.1. Award Amounts.

1. The REACH scholarship award amount is a maximum of \$2,500 per Academic Year for up to four years of Enrollment at an Eligible Postsecondary Institution. Scholars are eligible for a maximum amount of \$1,250 per semester or \$833 per quarter.
2. REACH Scholars awarded the maximum amount per semester or quarter are limited to receiving payment during two semesters or three quarters; however, REACH Scholars awarded less than the maximum amount per semester or quarter may receive funding for three semesters or four quarters per year, not to exceed the yearly award amount of \$2,500.
3. Upon receipt of a REACH scholarship payment from GSFA, the Eligible Postsecondary Institution shall credit the funds to the eligible student's account and deliver any remaining funds directly to the eligible student, not to exceed the REACH Scholar's Cost of Attendance.

5209.2. Adjustments to Award Amounts.

1. A REACH Scholar's award amount must be reduced if the REACH Scholar is receiving any other student financial aid from federal, state, institutional or private sources which, in combination with the REACH scholarship award amount, would exceed the REACH Scholar's Cost of Attendance. The REACH Scholar's REACH scholarship award, plus any other student financial aid, must not exceed the REACH Scholar's Cost of Attendance.

5209.3. Disbursement of Funds.

1. GSFA will process Enrollment Verification forms and initiate payments to Eligible Postsecondary Institutions on behalf of eligible REACH Scholars.

5209.4. Calculation of Refunds.

1. If a REACH Scholar officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment, and is entitled to a refund, a portion of such refund may need to be returned to GSFA.
2. If applicable, the Eligible Postsecondary Institution must first apply the Federal Title IV Return of Funds policy for any federal aid the REACH Scholar may have received. To determine the refund due to GSFA, the institution must apply the

institution's refund policy, if different from Federal Title IV Return of Funds policy, to the REACH Scholar's REACH scholarship award.

3. The Eligible Postsecondary Institution must determine the amount of the refund due back to GSFA and notify GSFA. The amount of the REACH award not determined to be owed back to GSFA is retained by the institution and/or the REACH Scholar.

5209.5. Collection of Refunds.

1. A REACH Scholar in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. GSFA will notify the borrower that they are in default and GSFA intends to proceed with any of the remedies listed in this subsection. A REACH Scholar will be given 60 days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

(The remainder of this page is intentionally blank.)

5210. Reconciliation Requirements.

5210.1. Term-Reconciliation.

1. Eligible Postsecondary Institutions must conduct a Term-Reconciliation by the end of each term.
 - a. A Term-Reconciliation consists of an official acknowledgement by an authorized school official through GSFA's online invoicing system, Scholarship Up-to-date Records for Electronic Reporting (SURFER), that the number of students submitted for payment and amount invoiced by the Eligible Postsecondary Institution, and the number of students awarded and amount issued by GSFA, according to SURFER, is accurate on that date.
 - b. GSFA will not issue any state scholarship or grant funds for the following term until the Term-Reconciliation is complete.
 - c. Funds are not returned to GSFA as part of the Term-Reconciliation process.

5210.2. Fiscal Year End Reconciliation.

1. In addition to the Term-Reconciliations, the Eligible Postsecondary Institution must conduct the Fiscal Year End Reconciliation through SURFER.
 - a. The Eligible Postsecondary Institution must conduct a complete student-by-student Fiscal Year End Reconciliation with GSFA that includes:
 - i. Submission of a reconciliation certification form by July 15, immediately following the completion of the Fiscal Year for each State Program, verifying accuracy of each invoice submitted by the Eligible Postsecondary Institution with respect to Enrolled-Hours, Paid-Hours, Learning Support hours, and the student's program of study information, when applicable to the program; and
 - ii. Return to GSFA any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
 - b. GSFA will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
 - c. The Eligible Postsecondary Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

5211. Administrative Reviews and Exceptions.

5211.1. Administrative Reviews.

1. The REACH Program Regulations are applied to each student considered for REACH scholarship funds by appropriate officials.
2. If a middle school or high school REACH Scholar believes a REACH Program rule or regulation was incorrectly applied in his or her case, the REACH Scholar must seek resolution from the Participating School System. The middle school or high school student may request an Administrative Review of the Participating School System's decision.
3. If a postsecondary REACH Scholar a REACH Program rule or regulation was incorrectly applied in his or her case, the REACH Scholar must seek resolution from the Eligible Postsecondary Institution. The postsecondary REACH Scholar may request an Administrative Review of the Eligible Postsecondary Institution's decision.
4. In order for an Administrative Review to be considered, the REACH Scholar must submit a written request for an Administrative Review to GSFA office within 45 calendar days of receiving notice of a decision of the Participating School System or Eligible Postsecondary Institution. If additional information is requested from the Scholar, it must be provided within the time frame specified by GSFA. GSFA decides a case based only on documentation provided rather than a personal presentation.

5211.2. Exceptions.

1. Requests for Exceptions to the REACH Program Regulations cannot be considered, reviewed, or granted under any circumstances.

(The remainder of this page is intentionally blank.)

5212. Compliance Reviews.

5212.1 Compliance Review Policy.

1. GSFA may conduct Compliance Reviews of Participating School Systems and Eligible Postsecondary Institutions participating in the REACH Scholarship Program in order to assess institutional administration of the program and compliance with the program's regulations.
