5202. Program Overview.

Realizing Educational Achievement Can Happen (REACH) Program, launched as a pilot program during the 2011-2012 Academic Year, is a need-based youth development and scholarship program with specific financial, academic, and behavior eligibility requirements. The purpose of the REACH Program is to increase academic persistence and achievement of Georgia's middle and high school students and to increase college access and success for Georgia's low-income and underserved populations. Private and public donations fund the scholarships.

Participating School Systems nominate and select 7th grade students to participate in the program beginning in 8th grade. The program encourages increased parental involvement and offers students the academic and social support of an Academic Coach and mentor. Upon graduation from high school, an eligible student attending an Eligible Postsecondary Institution may receive REACH scholarship funds to use toward any component of the Cost of Attendance.

Effective with the 2016-2017 Academic Year, GSFA began extending the benefits of the REACH program to REACH Connections Scholars, reaching students in the Georgia Foster Care system. Students will be selected in conjunction with the Georgia Division of Family and Children Services.

These programs are administered by the Georgia Student Finance Authority (GSFA), in accordance with these regulations.
