## **3602. Program Overview.**

The Scholarship for Engineering Education (SEE) was created beginning with the 1997-1998 Award Year. State revenues provide the funding for this program, as authorized each year by the State of Georgia's Annual Operating Budget. The program is administered by the Georgia Student Finance Authority (GSFA), in accordance with these regulations.

The purpose of the program is to attract Undergraduate students into the engineering profession by offering financial assistance and to provide qualified engineers for the State of Georgia. SEE funds may be used for tuition, fees, room and board, and other educational expenses at a Private Eligible Postsecondary Institution in Georgia offering accredited engineering programs of study approved by the Engineering Accreditation Commission of the Accrediting Board for Engineering and Technology (ABET). In return, students agree to work for a period of time after graduation in an Engineering-Related Field in Georgia for an opportunity to have a portion of the loan cancelled.

**3603. Definitions. (Electronic Link).**

**3604. General Eligibility Requirements.**

**3604.1. Citizenship.**

1. A student must be a United States Citizen, born or naturalized, or an Eligible Non-Citizen according to the Federal Title IV Regulations as of the first day of classes of the school term for which payment is sought.

**3604.2. Georgia Residency.**

1. A student must meet the requirements to be classified as a Resident of Georgia, in accordance with the *Georgia Residency Requirements for State Programs at Private Institutions Regulations*, for a minimum of 12 consecutive months immediately prior to the first day of classes of the school term for which payment is sought.

**3604.3. Satisfactory Academic Progress.**

1. A student must maintain Satisfactory Academic Progress (SAP), as defined, and certified by the Private Eligible Postsecondary Institution.
  - a. For state aid programs, Eligible Postsecondary Institutions may establish an appeal process for students with dual-enrollment credit hours that fail to meet the quantitative standard (pace) for degree completion, generally identified as 150 percent of the published length of the program.
  - b. The appeal should consider attempted hours toward the program in which the student is enrolled, satisfactory qualitative (grade-based) standards, and the student's satisfactory pace in pursuit of completing the program with and without the dual enrollment credits. Eligible Postsecondary Institutions have sole discretion and responsibility for evaluation and approval of any such appeals.

**3604.4. Selective Service Registration.**

1. A student must be in compliance with Georgia state law requirements of having registered with the United States Selective Service System requirements, in accordance with O.C.G.A. § 20-3-519.1(b).
2. Selective Service registration, by required males, should be completed prior to the program application deadline in order to be eligible for payment for such school term.
  - a. A late disbursement is permitted if the student meets Selective Service requirements any time during the fiscal year.

3. GSFC will maintain Selective Service registration or exemption status information for state aid program applicants/recipients. The registration status will be available to the postsecondary institution in which the student is enrolled in order for the institution to determine program eligibility.
  - a. The Institution may collect documentation supporting a student's registration status and submit to GSFC for consideration.
4. Male applicants required to register with the Selective Service System must have a registered or exemption status on file with GSFC to be eligible for state aid programs and for a disbursement invoice to be paid.

#### **3604.5. Defaulted Loan or Refund Due.**

1. A student must not be in default on a Federal Title IV or State of Georgia educational loan or owe a refund due to an over-award on a Federal Title IV or State of Georgia student financial aid program, or in any other way be in violation of Federal Title IV Programs Regulations or State of Georgia student financial aid program regulations. A student must meet the requirements of this section at the time funds are disbursed by GSFA on behalf of the student.
2. A student's federal default status can be resolved in one of five ways:
  - a. Completing an acceptable rehabilitation plan;
  - b. Having the loan repurchased by the original lender and the default status reversed;
  - c. Consolidating the loan out of a default status;
  - d. Receiving an approved Title IV debt settlement, to include a compromised settlement; or
  - e. Making monthly payments over a specified period agreed-upon with the lender of the Student's federal loan; each payment must be on time and voluntary to be in a satisfactory repayment plan.
3. A student's State of Georgia refund due status can be resolved by:
  - a. Paying the refund due to the Eligible Postsecondary Institution at which the over-award occurred. The Eligible Postsecondary Institution will then forward the payment to GSFA.
4. A student's default status on a State of Georgia loan can be resolved in one of two ways:

- a. Paying off the defaulted loan in full; or
- b. Complete an acceptable rehabilitation plan by making voluntary on time payments over a specified period agreed upon with GSFA.

5. If such student has repaid the defaulted loan or refund due in full, or resolved the default status, then he or she may be eligible to receive state scholarship, grant or loan funds beginning with the school term in which repayment was made in full but not retroactively for previous school terms.

#### **3604.6. Georgia Drug-Free Act.**

1. A student convicted of committing certain felony offenses involving marijuana, controlled substances, or dangerous drugs, may be ineligible for SEE payment from the date of conviction to the completion of the following school term, in accordance with the Georgia Drug-Free Postsecondary Education Act of 1990, Official Code of Georgia Annotated (O.C.G.A.) §20-1-20, et seq.

#### **3604.7. Incarceration.**

1. A student is ineligible to receive SEE Program funding while incarcerated.

2. A student must apply for SEE by completing and submitting to the Private Eligible Postsecondary Institution a Scholarship of Engineering Education Loan Program Application and signed Promissory Note.
3. A student may reapply annually by completing an Application and Promissory Note and must continue to meet all of the eligibility requirements in *Sections 3604 and 3605*.

### **3606.2. Application Process.**

1. An applicant must complete his or her portion of the Application and submit it to the financial aid office of the Private Eligible Postsecondary Institution for certification.
  - a. The financial aid office certifies eligibility and forwards the completed Application directly to GSFA for final determination of eligibility.

*(The remainder of this page is intentionally blank.)*

## **3609. Return of Funds Requirements.**

### **3609.1. Calculation of Return of Funds.**

1. If the student officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment, and is entitled to a refund, a portion of such refund may need to be returned to the SEE fund.
  - a. A student is ineligible for SEE funds for coursework from which he or she totally withdrew if, as a result, such coursework does not appear on the student's academic transcript as a "W" or any other code or identification for such a withdrawal.
2. If applicable, the Private Eligible Postsecondary Institution must first apply the Federal Title IV Return of Funds policy for any federal aid the student may have received.
  - a. To determine the refund, the institution must then apply the institution's refund policy, which may or may not be identical to the Federal Title IV Return of Funds policy, to the student's SEE award amount.
3. The Private Eligible Postsecondary Institution must determine the amount of the refund due back to the SEE Program. The amount of the SEE award not determined to be owed back to the SEE Program is retained by the Private Eligible Postsecondary Institution to cover the institution's cost for the portion of the school term that the student was Enrolled.
  - a. The Private Eligible Postsecondary Institution must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within 45 days of the determination.
  - b. If the Private Eligible Postsecondary Institution has sufficient funds on hand to return to GSFA the refund owed to the SEE Program, it should return the funds within 45 days of the refund determination. The Private Eligible Postsecondary Institution would then collect the refund amount from the student.
  - c. The student should not be reported with a refund due status to GSFA since the funds have been repaid to GSFA.
4. If the Private Eligible Postsecondary Institution does not have sufficient funds on hand to return to GSFA the refund owed to the SEE Program, the student is considered to have a refund due to GSFA and the Private Eligible Postsecondary Institution must report the student to GSFA with a refund due status.

### **3609.2. Collection of Refunds.**

1. A borrower in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. GSFA will notify the borrower that they are in default and GSFA intends to proceed with any of the remedies listed in this subsection.  
The borrower will be given 60 days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

### **3609.3. Emergency Military Duty.**

1. A student who is a member of the United States Armed Services, National Guard, or Armed Forces Reserve receiving funds from the SEE Program who is called to emergency military duty during a school term that is already in progress should not have their eligibility negatively impacted.
2. If the Private Eligible Postsecondary Institution the student attends allows the student to totally withdraw and receive a grade such as "WM" for "military withdrawal" or the institution totally removes all grades for that term and corresponding credit hours from the student's records, the Private Eligible Postsecondary Institution should return the full amount of the award to the SEE fund.
3. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the United States Armed Forces, as determined by the president of the Private Eligible Postsecondary Institution that such student is attending.

*(The remainder of this page is intentionally blank.)*

## **3610. Reconciliation Requirements.**

### **3610.1. Fiscal Year End Reconciliation.**

  - a. The Private Eligible Postsecondary Institution must conduct a complete student- by-student Fiscal Year End Reconciliation with GSFA that includes:
    - i. Submission of a reconciliation certification form by July 15, immediately following the completion of the Fiscal Year for each State Program; and
    - ii. Return to GSFA any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
  - b. GSFA will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
  - c. The Private Eligible Postsecondary Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

*(The remainder of this page is intentionally blank.)*

## **3611. Records Retention Requirements.**

### **3611.1. Length of Retention.**

1. A Private Eligible Postsecondary Institution shall maintain accurate records, books, documents, and other evidence concerning the SEE Program, including, but not limited to individual student files for whichever is longer:
  - a. Three years after the Award Year in which the aid was awarded; or
  - b. For such other period as required by an applicable statute, rule, or regulation; or
  - c. Such other time as requested in writing by GSFA.

### **3611.2. Documentation.**

1. Documentation contained within an individual student's file or record, which supports the original determination of a student's eligibility, must be retained by the Private Eligible Postsecondary Institution and available for review by GSFA on the Private Eligible Postsecondary Institution's campus, located within the State of Georgia, for at least three calendar years after the most recent Award Year for which the student received funds.
2. Private Eligible Postsecondary Institutions are permitted to maintain these documents in an imaged media format. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.
  - a. Such documentation may include, but is not limited to, copies of permanent resident alien cards, Georgia income tax returns, student financial aid applications or academic transcripts from previous institutions.
    - i. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained by the Private Eligible Postsecondary Institution.
    - ii. Documentation supporting a student's eligibility that is received and maintained by the institution's admissions office, registrar's office, business office, and other administrative operations of the Private Eligible Postsecondary Institution must be available to GSFA for the purpose of Compliance Reviews.
3. It is the Private Eligible Postsecondary Institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing SEE funds to the student.

### **3611.3. Extended Retention.**

1. A Private Eligible Postsecondary Institution may be required to retain student records involved in a Compliance Review, audit, or investigation for more than the three-year retention period described above. If the three-year retention period expires before the issue in question is resolved, the Private Eligible Postsecondary Institution must continue to retain all associated records until resolution is reached.

*(The remainder of this page is intentionally blank.)*

## **3612. Administrative Reviews and Exceptions.**

### **3612.1. Administrative Reviews.**

1. The SEE regulations are applied to each student considered for such funds by appropriate officials of Private Eligible Postsecondary Institutions and by the administrative staff of GSFA.
2. If a student believes a rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with GSFA.
3. In order for a request for an Administrative Review to be considered, the student must submit a written request for an Administrative Review to GSFA's office within 45 days of receiving notice of denial. If additional information is requested from the student, it must be provided within the time frame specified by GSFA.
  - a. GSFA will review the case and determine whether the rule or regulation was applied correctly and notify the student and the Private Eligible Postsecondary Institution of the determination.
  - b. GSFA decides a case based only on documentation provided by the student, rather than a personal presentation.

### **3612.2. Exceptions.**

1. No requests for Exceptions to the SEE regulations will be considered, reviewed, or granted under any circumstances.

*(The remainder of this page is intentionally blank.)*

## **3613. Compliance Reviews.**

### **3613.1. Compliance Review Policy.**

1. GSFA may conduct Compliance Reviews of Private Eligible Postsecondary Institutions in order to assess institutional administration of the program and compliance with the program's regulations. Compliance Reviews shall be conducted in accordance with GSFA's *Compliance Review Process and Procedures* document, which is available at [gsfc.georgia.gov](http://gsfc.georgia.gov), under *Information for School Compliance*.

### **3613.2. Compliance Review Process.**

1. GSFA selects a sampling of the Private Eligible Postsecondary Institution's recipients for the Award Year under review, and the Private Eligible Postsecondary Institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the Private Eligible Postsecondary Institution.

### **3613.3. Institutional Repayment.**

1. If a recipient is determined to be ineligible for payment, the Private Eligible Postsecondary Institution may be required to repay to GSFA the funds awarded to the recipient.
2. If later evidence, not available at the time of awarding, indicates that a student should not have received SEE funds, then all future SEE awards for that student must be cancelled.
  - a. The Private Eligible Postsecondary Institution may be held harmless by GSFA, if the student's file is appropriately documented with available evidence and it is determined by GSFA that the Private Eligible Postsecondary Institution was not at fault.
  - b. Evidence is considered unavailable at the time of awarding if it is not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
3. The Private Eligible Postsecondary Institution must notify the student and GSFA of a refund due.
4. The student will be ineligible to receive additional state aid from GSFA until the refund is paid in full, in accordance with *Section 3609.2*.
5. If GSFA determines the student's file is not adequately documented, the Private Eligible Postsecondary Institution may be responsible for the Repayment.

## **3614. Service Cancellation and Cash Repayment Obligations.**

### **3614.1. Loss of Eligibility.**

1. In the event that a Freshman recipient of SEE changes his or her major to a program of study other than an engineering program of study approved by the Engineering Accreditation Commission of the Accrediting Board for Engineering and Technology or withdraws from the Private Eligible Postsecondary Institution, prior to completion of his or her second semester, the Private Eligible Postsecondary Institution shall repay to GSFA the total amount of SEE funds awarded to such student. Full Repayment must occur prior to the end of the Award Year in which the SEE funds were disbursed.
2. In the event that an Upperclassman recipient of SEE fails to meet the requirements for continued eligibility for SEE, including graduation from the approved Baccalaureate Degree, such student must repay to GSFA the total amount of SEE funds received, plus interest, in accordance with the SEE Promissory Note the student signed.

### **3614.2. Service Cancellation.**

1. In order to repay by service, a former SEE recipient must graduate from an Eligible Postsecondary Institution and from an engineering program of study approved by the Engineering Accreditation Commission of the Accrediting Board for Engineering and Technology.
2. Within six years immediately following graduation, the former SEE recipient must be employed on a full-time basis, in an Engineering-Related Field, physically located and working at a Georgia work site for one full calendar year for each \$3,500 awarded by the SEE Program, or a portion of such amount thereof, whichever is greater.
  - a. The employment obligation may be extended only if a Deferment is approved by GSFA.
3. The former SEE recipient must annually submit a verification of status (VOS) form to GSFA, to serve as evidence of compliance with the Service Cancellation requirements.
  - a. Service Cancellation is effective upon approval by GSFA.

### **3614.3. Cash Repayment.**

1. GSFA shall convert a former SEE recipient from a Service Cancellation status to a cash Repayment status if GSFA, in its sole discretion, determines that the former SEE recipient is not meeting his or her service obligation in accordance with the promissory note.

- a. A recipient converting from cash Repayment to service Cancellation will not receive a refund on cash payments made prior to approval of Service Cancellation. Service Cancellation is effective upon receipt of complete documentation.
- 2. Upon designation by GSFA that a former SEE recipient is in a cash Repayment status, he or she shall have the option of fulfilling the obligation by either of the following two alternatives:
  - a. Repay in full the amount of the SEE funds received, reduced by the dollar amount that coincides with the years of service that the former SEE recipient has been performed, as specified in the promissory note; or
  - b. Make monthly payments to GSFA of the outstanding principal, plus interest, in accordance with the promissory note. In no event shall the interest rate due exceed 10%.

REVISED

#### **3614.4. Deferment or Forbearance of Repayment.**

- 1. A deferment or forbearance of Repayment may be granted on a case-by-case basis upon the approval of GSFA.
- 2. To qualify for a deferment, a student shall notify GSFA in writing of his or her claim and provide supporting documentation.
- 3. Each deferment or forbearance must be in accordance with the intent and purpose of the Scholarship for Engineering Education Program.
- 4. Such deferment or forbearance would extend the five-year Repayment period by the length of the deferment.
- 5. During the Deferment period, interest is not accrued. The repayment period is exclusive of periods of deferment or forbearance.
- 6. During a forbearance period, interest is accrued. The repayment period is exclusive of periods of deferment or forbearance.

### **3614.5. Cancellation of Repayment Obligation.**

1. GSFA shall cancel a Borrower's Repayment obligation if it determines:
  - a. On the basis of a death certificate, or other evidence acceptable to GSFA, that the Borrower is deceased; or
