1802. Program Overview.

The Accelerated Career Education (ACE) Grant Program began State Fiscal Year 2025. ACE provides funding to Georgia public high school students to enroll in an Associate of Applied Science, a Diploma, a program leading to licensure, or two (2) Technical Certificates of Credit in the same program of study or closely related programs of study on the State High Demand Career List at a TCSG Postsecondary Institution. The student must be pursuing graduation through the Georgia Department of Education Accelerated Career Diploma (ACD) by their public high school to receive ACE Grant Funding.

State revenues provide funding for this program in accordance with the Dual Enrollment Act, Official Code of Georgia Annotated (O.C.G.A.) §20-2-161. The total amount of funds appropriated for the program is established each year by the Georgia General Assembly during the prior legislative session and is subject to change during the Award Year.

3. Prior to the beginning of any Award Year and no later than June 30 of each year GSFC shall establish and publish the Invoicing Deadline Dates for each school term for the upcoming Award Year.
4. An Invoice may be honored or paid after the Invoicing Deadline Date if the failure to meet the deadline was due to:
 - a. The need for supplemental documentation required by the TCSG Institution or GSFC to support or verify a student's eligibility; or
 - b. Late grades, late completions, grade changes; or
 - c. Other adjustments made to the student's official academic transcript that resulted in a change in eligibility and the student met all other eligibility requirements prior to the deadline.

1812. Return of Funds Requirements.

1812.1. Calculation of Return of Funds.

 - c. If the ACE Grant courses are not listed on the student's transcript, then the ACE Grant funds must be returned by the postsecondary institution.
2. To determine if a return of funds is necessary to the ACE Grant Program, the TCSG Institution must apply the institution's refund policy to the student's ACE Grant award amount.
3. The TCSG Institution must determine the amount of the ACE Grant that must be returned to the program. The amount of the ACE Grant award not determined to be returned, is retained by the TCSG Institution to cover the institution's cost for the portion of the school term that the student was enrolled.
 - a. The TCSG Institution must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within forty-five (45) calendar days of the determination.

1812.2. Collection of Refunds.

1. A borrower in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. GSFC will notify the borrower that they are in default and GSFC intends to proceed with any of the remedies listed in this subsection. 1813. Reconciliation Requirements.

1813.1. Term-Reconciliation.

1. TCSG Institutions must conduct a Term-Reconciliation by the end of each term.
 - a. A Term-Reconciliation consists of an official acknowledgement by an authorized school official through Postsecondary Functions, that the number of students submitted for payment, total invoiced by the TCSG Institution, the number of students awarded, and total issued by GSFC, according to Postsecondary Functions, is accurate on that date.
 - b. GSFC will not issue any state scholarship or grant funds for the following term until the Term-Reconciliation is complete.
 - c. Funds are not returned to GSFC as part of the Term-Reconciliation process.

1813.2. Fiscal Year End Reconciliation.

1. In addition to the Term-Reconciliations, the TCSG Institutions must conduct the Fiscal Year End Reconciliation through Postsecondary Functions.
 - a. The TCSG Institutions must conduct a complete student-by-student Fiscal Year End Reconciliation with GSFC that includes:
 - i. Submission of a reconciliation certification form by July 15, immediately following the completion of the Fiscal Year for each State Program, verifying accuracy of each invoice submitted by the TCSG Institutions with respect to Enrolled-Hours, Paid-Hours, Learning Support and the student's program of study information, when applicable to the program; and
 - ii. Return to GSFC any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
 - b. GSFC will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
 - c. The TCSG Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

1814. Records Retention Requirements.

1814.1. Length of Retention.

1. An Eligible Public High School and TCSG Institution shall maintain accurate records, books, documents and other evidence concerning the ACE Grant, including, but not limited to, individual student files for whichever is longer:
 - a. Three years after the academic year the student participated or Award Year in which the aid was awarded; or

 - c. Such other time as requested in writing by GSFC.

1814.2. Documentation.

1. Documentation contained within an individual student's file or record, which supports the original determination of a student's eligibility, must be retained and available for review by GSFC on the institution's campus, located within the State of Georgia, for at least three calendar years after the most recent Award Year for which the student received ACE Grant funds (refer to *Section 1813.*).
2. Documents are permitted to be maintained in an imaged media format. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.
 - a. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained.
 - b. Documentation supporting a student's eligibility that is received and maintained by admissions office, registrar's office, business office, or other administrative operations of the high school or institution must be available to GSFC for the purpose of Compliance Reviews.
3. It is the Eligible High School or TCSG Institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing ACE Grant funds to the student.

1814.3. Extended Retention.

1. An Eligible Public High School or TCSG Institution may be required to retain student records involved in a Compliance Review Audit or investigation for more than the three-year retention period set forth in *Section 1813.1*. If the three-year retention period expires before the issue in question is resolved, the high school, home study or Institution must continue to retain all associated records until resolution is reached.

1815. Administrative Review and Exceptions.

1815.1. Administrative Review.

1. The ACE Grant Regulations are applied to each student considered for ACE Grant payment by appropriate officials of the TCSG Institution and by the administrative staff of GSFC.
2. If a student believes an ACE Grant rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with GSFC.
3. For an Administrative Review to be considered, the student must submit a written request for an Administrative Review to GSFC's office within 45 calendar days of receiving notice of denial. If additional information is requested from the student, it must be provided within the time frame specified by GSFC.
 - a. GSFC will review the case and determine whether the rule or regulation was applied correctly and notify the student and TCSG Institution of the determination.
 - b. GSFC decides a case based only on documentation provided by the student, rather than a personal presentation.

1815.2. Exceptions.

1. Requests for Exceptions to the ACE Grant Program Regulations cannot be considered, reviewed, or granted under any circumstances.

1818. Compliance Reviews.

1818.1. Compliance Review Policy.

1. GSFC may conduct Compliance Reviews of Eligible High School or TCSG Institutions participating in the ACE Grant to assess institutional administration of the program and compliance with the program's regulations. Compliance Reviews are conducted in accordance with GSFC's *Compliance Review Process and Procedures* document, which is available at gsfc.georgia.gov, under *Information for School Compliance*.

1818.2. Compliance Review Process.

1. GSFC selects a sampling of the Eligible High School eligible students, for the Award Year under review, and the school's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Eligible High School (refer to *Section 1814.*).
2. GSFC selects a sampling of the TCSG Institution's recipients, for the Award Year under review, and the institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the TCSG Institution (refer to *Section 1814.*).
 - a. GSFC will exclude SAP determinations, in the selected sample of any TCSG institution, that has submitted a signed certification to GSFC's Compliance Department by the President of the TCSG Institution that:
 - i. The TCSG Institution is in compliance with its policies and procedures in the determination and the administration of the financial aid award process relative to SAP requirements; and
 - ii. The SAP determinations have been fairly and consistently applied with respect to all students receiving the ACE Grant awards.
 - b. Such certification must be submitted annually to the Compliance Department of GSFC.
 - i. Failure to provide such certification will result in a review of SAP determinations made for Accelerated Career Education Grant recipients in the selected sample.

1818.3. Corrective Actions and Institutional Repayment.

1. In the event it is determined that a TCSG Institution knowingly or through error certified an ineligible student to be eligible for ACE Grant, the amount of such grant shall be refunded by the TCSG Institution.

2. GSFC may suspend a TCSG Institution from receiving ACE Grant payments if the Institution fails to timely refund any monies deemed due based on the Compliance Review.
3. Any person who knowingly makes or furnishes any false statement, or misrepresentation, or who accepts such statement or misrepresentation knowing it to be false for the purposes of enabling an ineligible student to wrongfully obtain an ACE Grant award shall be guilty of a misdemeanor.
4. If evidence not available at the time of awarding indicates that a student should not have received ACE Grant funds, then all future ACE Grant awards for that student must be canceled.
 - a. The TCSG Institution is held harmless by GSFC if the student's file is adequately documented with available evidence, and it is determined by GSFC that the institution was not at fault.
 - b. Evidence is considered unavailable at the time of awarding if it is not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
5. The TCSG Institution must notify the student and GSFC of a refund due to GSFC.
6. If GSFC determines the student's file is not adequately documented, then the TCSG Institution may be solely responsible for the repayment.
