602. Program Overview.

The Tuition Equalization Grant (TEG) Program provides grant assistance toward educational costs to residents of Georgia seeking Degrees as Full-Time students at Private Eligible Postsecondary Institutions. The eligibility requirements of the TEG program do not include academic merit, achievement, or financial need criteria. The TEG program results from recognition that accredited private and independent colleges and universities located within the State of Georgia can be used more effectively in the public interest, by granting financial assistance to citizens who choose to attend such colleges and universities, and that the provision of such assistance will reduce the costs to the taxpayers of the state below the cost of providing similar instruction within the University System of Georgia (USG).

During the legislative session that precedes each Award Year, the Georgia General Assembly establishes the TEG award amount eligible students will receive for the upcoming Award Year and the total amount of funds appropriated to the program. The TEG award amount and total funding for the program may be adjusted during the Award Year.

The Georgia General Assembly created the TEG program, beginning with the 1972-1973 Award Year (State Fiscal Year 1973). State revenues provide funding for this program as authorized each year by the Georgia General Assembly. The Georgia Student Finance Authority (GSFA) administers the TEG program, in accordance with Official Code of Georgia Annotated (O.C.G.A.) §20-3-410, et seq.

604. General Eligibility Requirements.

604.1. Citizenship.

1. A student must be a United States Citizen, born or naturalized, or an Eligible Non-Citizen according to the Federal Title IV Regulations, as of the first day of classes of the school term for which TEG payment is sought.

604.2. Georgia Residency.

1. A student attending an Eligible Postsecondary Institution meets the Georgia Residency requirements for purposes of TEG eligibility, if he or she meets the criteria of the *Georgia Residency Requirements for State Programs at Private Institutions Regulations*.
 - a. A Freshman student with a non-resident Military Personnel Parent meets the Georgia Residency requirements, if such student graduated from a high school located in Georgia and his or her Military Personnel Parent was stationed in Georgia at the time of the student's high school graduation.
 - i. In order to benefit from this provision, a student must be eligible for and begin receiving TEG payment prior to earning 30 semester or 45 quarter hours of Degree credit.
2. A student attending a private Eligible Postsecondary Institution who meets the Georgia Residency requirement of the *Georgia Residency Requirements for State Programs at Private Institutions Regulations* at the time of his or her high school graduation, Home Study program completion or earned a High School Equivalency diploma, must also meet such Georgia Residency requirements for 12 consecutive months immediately prior to the first day of classes of the school term for which the TEG payment is sought.
3. A student who does not meet the Georgia Residency requirements of the *Georgia Residency Requirements for State Programs at Private Institutions Regulations* at the time of high school graduation, Home Study program completion or earned a High School Equivalency diploma, must meet such Georgia Residency requirements for 24 consecutive months immediately prior to the first day of classes of the school term for which the TEG payment is sought.
4. Military Personnel, Military Spouses, or Dependent Children shall be treated as a Georgia Resident for purposes of TEG eligibility, if the Military Personnel is stationed in Georgia on Active Duty or lists Georgia as his or her home of record.

A student, who was correctly determined to meet the Georgia Residency requirements and began receiving TEG payment, will continue to meet the Georgia Residency requirements for purposes of TEG eligibility unless he or she has a break in Enrollment of two or more consecutive semesters or quarters and resides outside of Georgia for 12 or more consecutive months.
 - a. If such student later returns to Georgia, he or she must re-establish Georgia Residency for 12 consecutive months, in accordance with *Section 604.2.1.*, before regaining TEG eligibility.
6. A student who has a break in Enrollment of two or more consecutive semesters or quarters, and who resides outside of Georgia for less than 12 consecutive months, and then later returns to Georgia and Enrolls in an Eligible Postsecondary Institution within 12 consecutive months from his or her most recent date of Enrollment in an Eligible Postsecondary Institution, will continue to meet the Georgia Residency requirements for purposes of TEG eligibility.

1. A student must be Enrolled at an Eligible Postsecondary Institution in a Matriculated status.
2. A student must be classified and Enrolled as Full-Time through the last day of the Eligible Postsecondary Institution's drop/add period in order to be eligible for TEG payment.

- b. The appeal should consider attempted hours toward the program in which the student is enrolled, satisfactory qualitative (grade-based) standards, and the student's satisfactory pace in pursuit of completing the program with and without the dual enrollment credits. Eligible Postsecondary Institutions have sole discretion and responsibility for evaluation and approval of any such appeals.

604.5. Selective Service Registration.

 - a. A late disbursement is permitted if the student meets Selective Service requirements any time during the fiscal year.
3. GSFC will maintain Selective Service registration or exemption status information for state aid program applicants/recipients. The registration status will be available to the postsecondary institution in which the student is enrolled in order for the institution to determine program eligibility.

 - b. For the school term in which a student reaches the Paid-Hours limit of 127 semester or 190 quarter hours, the student can be paid only for the hours up to the Paid-Hours limit. However, a student who will reach the Paid-Hours limit with a fraction of an hour can be paid for a full hour.

2. The Home Institution must have a written agreement with the institution (foreign or non-Eligible Postsecondary Institution) or a single written arrangement with a study-abroad organization to represent an agreement between the Home Institution and the institution at which a student is participating in a Study Away program.
3. A student's Eligible Postsecondary Institution, which is his or her Home Institution, must approve the Study Away program for credit toward the student's Degree program prior to the student's departure.
4. The TEG award must be the amount the student would normally receive at the Home Institution for an equal number of credit hours attempted.
5. The Home Institution must maintain documentation of the student's actual tuition charges for the Study Away program at the Host Institution.
6. At the time of disbursement, a current enrollment verification for the student from the Host Institution indicating the courses and number of hours must be on file with the Home Institution.
7. The TEG payment must take place through the Home Institution.
8. The Eligible Postsecondary Institution must have on file the student's written or electronic permission to have any specific fees withheld from the TEG disbursement.
9. If the student is participating in a Study Away program via another private Eligible Postsecondary Institution serving as the student's Host Institution. In this situation, the Host Institution must treat the Study Away student as a Transient student, as prescribed by *Section 606.1*.

607. Student Application Requirements.

607.1. Application Forms.

1. In order to be considered for a TEG award, a student must have one of the following application forms on file and in an approved status with GSFA:
 - a. GSFAPP; or
 - b. Current year FAFSA.
 - i. A student who applies for TEG by completing and submitting a FAFSA must complete and submit a new FAFSA for each Award Year.
2. In addition to one of the two applications identified above, an Eligible Postsecondary Institution may require students to complete the Eligible Postsecondary Institution's application for student financial aid or other forms to provide supplemental information for the purpose of determining TEG eligibility.
3. Once a student has submitted a GSFAPP and it has been accepted on GSFA's system as a valid application, it will remain on GSFA's system as a valid application for 120 consecutive months following the application's approval date.
 - a. The student's application will remain valid during the 120 month period, regardless of whether or not an Eligible Postsecondary Institution submits a TEG invoice to GSFA on behalf of the student during the 120 month period. Upon conclusion of the 120 month period, the student's application will expire.
 - b. Once an application has expired, the student will be required to submit a new application in order for a TEG invoice to be processed for the student by GSFA.
 - c. If during the original application's 120 month period, the student submits to GSFA a new application for TEG, or an application for a program other than TEG, both applications will remain valid for 120 consecutive months following the second application's approval date.
 - d. The above stipulations apply to all GSFAPP accepted as valid applications on GSFA's system, including such applications that were submitted to and accepted prior to the 2008-2009 Award Year.

607.2. Application Deadline Date.

1. A student must file a GSFAPP or FAFSA on or before the last day of the school term (semester or quarter) or the student's withdrawal date, whichever occurs first, in order to be paid for that school term.
 - a. The last day of the school term is the last day of classes or exams for the Eligible Postsecondary Institution, whichever occurs later.
 - b. Supplemental documentation required by the Eligible Postsecondary Institution or GSFC to support or verify a student's application information may be submitted after the deadline without jeopardizing the student's eligibility.
2. Eligible Postsecondary Institutions may institute their own student application deadline dates exclusive of the TEG regulations or requirements.

607.3. Application for Subsequent Years.

1. It is not mandatory, except as provided for in *Section 607.1.1.b.i.*, of these regulations, for a student to complete a new application for TEG for each Award Year. However, Eligible Postsecondary Institutions may have separate application requirements.

(The remainder of this page is intentionally blank.)

608. Award Requirements.

608.1. Award Amounts.

1. The TEG award amounts per semester or quarter are provided below. Award changes become effective beginning with the Fall term. A student who meets all TEG eligibility requirements, including Full-Time Enrollment, may receive payment for three semesters or four quarters for the Award Year. However, these award amounts are subject to change during the Award Year (refer to *Section 608.5.*).

Term	FY	Semester System	Quarter System

Fall 2025	26	\$550.00	\$367.00
Winter 2026	26	Not Applicable	\$367.00
Spring 2026	26	\$550.00	\$366.00
Summer 2026	27	\$550.00	\$367.00

2. For a student Enrolled Full-Time during a term in which he or she reaches the Paid-Hours limit, such student can receive payment only for hours up to the limit. The Per Credit Hour award for such student is:

Term	Semester System	Quarter System
Per Credit Hour	\$46.00	\$31.00

608.2. Awards Per School Term.

1. TEG payment is available to students for the standard school terms of Summer, Fall, and Spring semesters or Summer, Fall, Winter, and Springquarters.
 - a. An Eligible Postsecondary Institution may combine mini-terms or modules to form the equivalent of a standard semester or quarter.
 - b. An Eligible Postsecondary Institution may offer Non-Standard Terms or Non-Terms, in which courses or modules are taken consecutively to form the equivalent of a standard semester or quarter. Regardless of the structure of an Eligible Postsecondary Institution's school terms, a student may only be awarded TEG funds for a maximum of three semesters or four quarters per Award Year.

608.3. Student Notification of Award.

1. An Eligible Postsecondary Institution must notify each TEG recipient of the amount of TEG funds he or she is awarded for the Award Year and identify such funds as a TEG award.

2. A student who wishes to decline a TEG award must do so actively. The Eligible Postsecondary Institution must maintain a record of the student's notification to the Eligible Postsecondary Institution that he or she is declining the award.
 - a. A student's decision to decline a TEG award becomes final and irrevocable on the last day of the term for which the TEG award was made.

608.4. Adjustments to Award Amounts.

1. A student's TEG award amount must be reduced if the student is receiving any other student financial aid from federal, state, institutional or private sources, which in combination with the TEG award amount would exceed the student's Cost of Attendance. The student's TEG award, plus any other student financial aid, must not exceed the student's Cost of Attendance.

608.5. Insufficient Funding.

1. Should TEG funds available to GSFA from state appropriations be insufficient to fulfill TEG payments for all eligible students for the Award Year, it may be necessary to reduce the TEG award amounts payable to students for a particular school term or terms or to eliminate TEG payments, altogether, for a school term or terms.

(The remainder of this page is intentionally blank.)

609. Invoicing Requirements.

609.1. Submission of Invoices.

1. A student must have a completed and approved application for TEG on file with GSFA before an Eligible Postsecondary Institution can successfully submit a TEG invoice to GSFA for such student for a school term.
2. Eligible Postsecondary Institutions may submit TEG invoices to GSFA as early as 15 calendar days prior to the first day of classes for the school term. This provision does not release an Eligible Postsecondary Institution from its responsibility to verify the Enrollment requirements of *Section 604.3*.
3. Invoices must be submitted through GSFA's online invoicing system, Scholarship Up-to-date Records for Electronic Reporting (SURFER), processed, and approved by GSFA by the Invoicing Deadline Date as established by GSFA. Each invoice submitted by the Eligible Postsecondary Institution must include Enrolled-Hours, Paid-Hours, and the student's program of study information, when applicable to the program.
4. TEG invoices submitted to GSFA by Eligible Postsecondary Institutions after the Invoicing Deadline Date for a school term will not be honored or paid by GSFA.
5. Invoices submitted prior to the Invoicing Deadline Date but for which resolution of any applicable Invoicing Reject was not reached until after the Invoicing Deadline Date will not be paid by GSFA.
6. Prior to the beginning of any Award Year and no later than June 30 of each year GSFA shall establish and publish the Invoicing Deadline Dates for each school term for the upcoming Award Year.
 - a. An invoice may be honored or paid after the Invoicing Deadline Date if the failure to meet the date was due to:
 - i. The need for supplemental documentation required by the Eligible Postsecondary Institution or GSFA to support or verify a student's eligibility; or
 - ii. Late grades, late completions, grade changes; or
 - iii. Other adjustments made to the student's official academic transcript that resulted in a change in eligibility, and the student met all other eligibility requirements prior to the deadline.
7. The President of GSFA has sole discretion in the determination of invoice deadlines and extensions. The decision of the President of GSFA shall be final.

609.2. Payment of Invoices.

1. TEG funds are paid to the Eligible Postsecondary Institution by electronic transfer of funds on behalf of eligible students each school term upon submission to GSFA of a TEG invoice.

609.3. Payment to Students.

1. TEG funds may be applied to any of the Eligible Postsecondary Institution's direct charges, such as Tuition, fees, room and meals. If a student does not owe a balance, the Eligible Postsecondary Institution shall pay any remaining amount of the TEG award to the student.

(The remainder of this page is intentionally blank.)

610. Return of Funds Requirements.

REVISED

610.1. Calculation of Return of Funds.

1. A student is ineligible for the TEG for coursework from which he or she totally withdrew, and the coursework does not appear on the student's academic transcript as a "W" or any other code or type of identification for such a withdrawal.
 - a. If the Eligible Postsecondary Institution received the disbursement prior to a student's total withdrawal, in which the coursework does not appear on the transcript, then the Institution must cancel or return the award.
2. If a student officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment and the coursework is included on the student's academic transcript, the Institution must determine if a return of funds is necessary based on the Institution's refund policy. The award or a portion of the award may need to be returned to GSFC.
 - a. The Eligible Postsecondary Institution must determine if the award or portion of the award exceeds the adjusted Cost of Attendance after their refund policy is applied. The award or portion of the award that exceeds the adjusted Cost of Attendance must be returned to GSFC within forty-five (45) calendar days of the determination.
 - b. The remainder of the award amount is retained by the Eligible Postsecondary Institution and must be applied to the student's account.

610.2. Emergency Military Duty.

1. A student who is a member of the United States Armed Forces, National Guard, or Military Reserve Forces receiving funds from the TEG Program who is called to emergency military duty during a school term that is already in progress should not have his or her TEG eligibility negatively impacted.
2. If the Eligible Postsecondary Institution the student attends allows the student to totally withdraw and receive a grade such as "WM" for military withdrawal or the Eligible Postsecondary Institution totally removes all grades for that term and corresponding credit hours from the student's records, the Eligible Postsecondary Institution should return the full amount of the TEG award to the TEG account.
3. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the United States Armed Forces, as determined by the president of the Eligible Postsecondary Institution that such student is attending.

611. Reconciliation Requirements.

611.1. Term Reconciliation.

1. Eligible Postsecondary Institutions must conduct a Term Reconciliation by the end of each term. A Term Reconciliation consists of an official acknowledgement by an authorized school official, through Postsecondary Functions that the number of students submitted for payment, total invoiced, the number of invoices paid, and total disbursed by GSFA to the Eligible Postsecondary Institution, according to Postsecondary Functions is accurate on that date.
 - a. GSFA will not issue any state grant funds for the following term until the Term Reconciliation is complete.
 - b. Funds are not returned to GSFA as part of the Term Reconciliation process.

611.2. Fiscal Year End Reconciliation.

1. Eligible Postsecondary Institutions must conduct the Fiscal Year End Reconciliation consisting of an official acknowledgement by an authorized school official, through Postsecondary Functions verifying, student by student, the accuracy of each invoice submitted by the Eligible Postsecondary Institution with respect to the student's Enrolled-Hours, Paid-Hours, Learning Support, and program of study information, when applicable to the program.
 - a. Reconciliation certification forms must be completed and submitted electronically, through Postsecondary Functions by July 15, immediately following the completion of the Fiscal Year for each State Program.
 - b. Return to GSFA any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
 - c. GSFA will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
 - d. The Eligible Postsecondary Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

612. Records Retention Requirements.

612.1. Length of Retention.

1. An Eligible Postsecondary Institution shall maintain accurate records, books, documents and other evidence concerning the TEG Program, including, but not limited to, individual student files for whichever is longer:
 - a. Three years after the Award Year in which the aid was awarded; or
 - b. For such other period as required by an applicable statute, rule, or regulation; or
 - c. Such other time as requested in writing by GSFA.

612.2. Documentation.

1. Documentation contained within an individual student's file or record, which supports the original determination of a student's eligibility, must be retained by the Eligible Postsecondary Institution and available for review by GSFA on the Eligible Postsecondary Institution's campus located within the State of Georgia, for at least three years after the most recent Award Year for which the student received TEG funds (refer to *Section 614.*).

613.2. Exceptions.

1. Requests for Exceptions to the TEG Program Regulations cannot be considered, reviewed, or granted under any circumstances.

614. Compliance Reviews.

614.3. Institutional Repayment.

1. In the event it is determined that an Eligible Postsecondary Institution knowingly, or through error, certified an ineligible student to be eligible for TEG, the amount of such grant shall be refunded by the Eligible Postsecondary Institution to GSFA.

- b. Evidence is considered unavailable at the time of awarding if it is not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
5. The Eligible Postsecondary Institution must notify the student and GSFA of a refund due to GSFA.
6. The student is ineligible to receive additional state aid from GSFA until the refund is paid in full, in accordance with *Section 610.2*.
7. If GSFA determines that the student's file is not adequately documented, the Eligible Postsecondary Institution may be solely responsible for the repayment.

614.4. Examination by State Auditor.
