FY 2023 Invoicing and Reconciliation Deadlines

The FY 2023 Invoice and Reconciliation Deadlines chart is available as a reminder with the year-end approaching. Year-end Invoice Period is June 1 – 23, 2023. No invoices can be processed for FY 2023 after June 23, 2023.

FY 2024 Invoicing and Reconciliation Deadlines

The Program Regulations require postsecondary institutions to complete term reconciliation and a year-end reconciliation of each state program for which funds were received for the year and submit a year-end reconciliation form by July 15. Year-end Invoice Period is June 1 – 23, 2024. No invoices can be processed for FY 2024 after June 23, 2024.

Prior Year Late Invoice Procedure

Invoices for prior fiscal years will not be paid except under certain extraordinary and narrowly defined circumstances. The Program Regulations allow an invoice to be paid after the fiscal year has closed only if failure to meet the deadline was due to the need for supplemental documentation including, but not limited to, information required for the student's eligibility (e.g., proof of citizenship or residency), late grades, grade changes or other adjustments made to the student's official academic transcript that result in a change in a student's eligibility.

If a postsecondary institution needs to submit an invoice or increase the award amount on an existing invoice after the year-end reconciliation, the director of financial aid must submit the request form through Postsecondary Functions. If you have any questions relating to invoices and year-end reconciliation, please contact Wendel Brown, Sr. Manager of Originations and Disbursements, at 770.724.9249 or wbrown@gsfc.org.

If the request for invoices to be paid after the year-end reconciliation total more than ½ percent of the total amount disbursed to the postsecondary institution for the corresponding program in the current fiscal year, the institution's president must submit a written request to, Executive Vice President, Program Administration & Operations, Pennie Strong at pennies@gsfc.org, including the following:

1. The reason for the prior year invoice request
2. The number of invoices
3. The total dollar amount of the invoices to be submitted
4. A corrective action plan outlining measures that will be taken in the future to meet the published invoicing deadlines which shall include, but not be limited to, the following:
 - a. Staff and/or system changes implemented that ensure timely submission of invoices
 - b. Dates and content of training to prepare staff for timely submission of invoices
 - c. Supplemental documentation relating to delays

The 2023-2024 Program Regulations will be posted at www.gsfc.georgia.gov by May 23, 2023. A link to the Program Regulations can also be found at www.GAfutures.org under "Shortcuts." If you have any questions relating to the revisions of the Regulations or program information, please contact Pennie Strong, Executive Vice President, Program Administration & Operations, at 770.724.9014 or pennies@gsfc.org.
