#### Year End Invoicing Period

- During June 1 – 23 each year, PSIs can submit invoices for any term of the current fiscal year for the scholarship or grant programs.
- All invoices must be submitted by June 23 to be applied to the current fiscal year. After June 23, the fiscal year is closed.
- Invoices must be submitted through PSF > SURFER via INU file or onscreen entry.
- This process removes the need for PSIs to request an extension.

#### Year End Reconciliation Period

- Year End Reconciliation is done online through PSF > Reconciliation, must be completed and submitted for each fund program of the current fiscal year by July 15.
- Any unused credits must be returned by August 15.
- If July 15 or Aug 15 deadlines fall on a Saturday or Sunday, the deadline is automatically the following Monday.
- State funds for the upcoming Fall term cannot be disbursed until Year End Reconciliation is complete.
