1602. Program Overview.

The Dual Enrollment (DE) Program provides for participation in Dual Credit Enrollment for Eligible High School and Home Study students. These students earn postsecondary credit hours while simultaneously meeting their high school graduation or Home Study completion requirements.

The Dual Enrollment Program includes a Transportation Grant available to Georgia public high schools to assist in eliminating the transportation barrier for Dual Enrollment students attending postsecondary institutions. Public high schools may apply for funding through the transportation grant.

State revenues provide funding for this program. The total amount of funds appropriated for the program is established each year by the Georgia General Assembly during the prior legislative session and is subject to change during the Award Year.

The Dual Enrollment Program is created in accordance with the Move On When Ready Act, Official Code of Georgia Annotated (O.C.G.A.) §20-2-161.
